## A View from Ryedale House

Last night, following an extraordinary planning meeting at Ryedale House, the green light was given to the 'Eden Camp agri-business park' proposal. Although there remain a number of hurdles yet to jump, this represents the first, and perhaps most important, step towards the construction of a project that has the potential to not only safeguard the livestock market but also create over 800 local jobs. In order to drive it forward, we must now work hard to persuade the Local Enterprise Partnership to lend it much needed financial support.

At the same time, we are seeing large scale residential housing development proposals coming forward. Recognising that there is both a serious housing shortfall and that many (mainly young) people are being 'priced off the ladder,' I support the need for new home building in principle. However, the greatest care has to be taken to ensure that any such development is proportionate, environmentally sustainable, affordable and adequately resourced from an educational, medical and highway perspective.

If you have any thoughts/views on the above or indeed anything else which falls within the District Council's responsibility please feel free to e-mail me on

### St Leonard & St Mary's RC Church, Malton

Recent collections at St Leonard & St Mary's RC Church, Malton, have raised £191.44 for The Apostleship of the Sea which helps seafarers and £194.88 for the Day for Life campaign.

An evening of food and fun with The Pampered Chef was held at St Mary's RC Primary School which has close links with the church. The aim was to raise money for the Joanna Rookes Memorial Fund set up 10 years ago after parishioner and Malton Hospital worker Joanna, who had been a pupil; at the school, was knocked down and killed by a car after she was unloading luggage from her own car. Relatives have pledged to hold up to 10 events this year to mark the 10th anniversary of her death. The Pampered Chef is a range of cookware and utensils.

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

Priest is Father Tim Bywater while Mrs Sue Westmacott is the pastoral assistant.

Many residents will have noticed that Ron and  
Meg Medley have their house up for sale so it is  
reasonable to assume that they will be leaving

Ron is our NHW co - ordinator so we will need a  
willing volunteer to take over his role. It is a  
matter of being a point of contact for information  
associated with the NHW scheme.

Would anyone who is interested please either  
contact myself or Ron if you want any further

Weaverthorpe War Memorial by Candle light  
2200hrs to 2300hrs 4 August 2014 one  
hundred years on from 4/8/1914. It has stood  
as a silent sentinel since it was unveiled by Lady  
Sykes of Sledmere in 1922 to the Named young  
lads of Weaverthorpe who left never to return.  
The Wolds Waggoners got there telegrams in the  
harvest fields on the 6th of August 1914 and  
with in a week were in France, they were one of  
only two units in the British Army ever to go to  
war with no military training what so ever. It is all  
so a place where local former service personnel  
can go and reflect on their comrades who lie in  
places far from home be they Sailors Marines  
Army or Royal Air Force, It is only in resent years  
that fallen service personal have been brought  
home, before that they were interred where they  
fell.

The Memorial Cross and the surrounded  
grassed area is a listed and protected Memorial  
that belongs to the Village and it is my wish and  
hope that the people of Weaverthorpe present  
and future will respect that, and that it stays  
where it is for the next century so that the  
residents of Weaverthorpe can once again say  
thanks to the lads that fell in 1914/18 and  
1939/45

Memorial is a place where we can go and reflect  
and remember those that lie as the poem says  
"That there's some corner of a foreign field, That  
is for ever England" and should be cherish and  
revered by all

#### **Dog Fouling**

We're supporting Safer Ryedale and their "Take the lead...  
**Take the Bag**" campaign against dog mess. You'll be  
seeing the posters displayed in Helpertorpe, West Lutton  
and East Lutton. We have some dog fouling reporting  
slips "**Seen it? Report it!**" or you can report dog fouling  
offences direct to the Dog Warden, Brian Dunn.  
Email – [brian.dunn@ryedale.gov.uk](mailto:brian.dunn@ryedale.gov.uk)  
Tel: 01653 600666 Ext 208

However, before doing so, please understand the limits of  
the Dogs [Fouling of Land] Act. It covers only roads,  
footpaths, verges and public places, [such as playing  
fields, playgrounds, village greens, church grounds and  
grave yards] **within a speed restriction of 40mph or less.**

Fines cannot be imposed for dog fouling along  
unrestricted roads between villages or in open  
countryside. We know that dog mess is an issue that  
generates strong feelings amongst many residents and  
would ask that all dog owners keep our footpaths and  
verges clean, whether or not they are within a 40mph  
speed limit. **Please Bag It and Bin It!**

#### **Strimming**

A mystery volunteer has strimmed and mown alongside  
the footpath approaching East Lutton and all around the  
newly restored planter and the bench. It looks great.  
Thank you very much!

#### **At Last!**

Our volunteers have finally completed the siding out in  
West Lutton. This was a major task, carried out by six  
committed people on Sunday mornings. Although not  
everyone could make it for every session, we never had  
fewer than four volunteers at any one time. Thanks  
again.

We're now looking for volunteers to give the seven  
wooden benches in Luttons Parish another coat of  
preservative before the winter, so if you'd like to help,  
please contact me.

**New volunteers are always welcome.**

## Thankful Village Celebration

Thank you to everyone who came along to our evening where we unveiled the 'Thankful Village' plaque. Special thanks must go to the Wolds Valley Voices choir who sang a selection of songs from 'Oh What A Lovely War' and also gave the audience a chance to join in with the familiar songs from the First World War. Thank you also to Tony and Kayti Boorman for their amazing decoration of the church with poppies, bunting, World War One pictures and memorabilia. The proceeds of the evening will be shared equally between the choir, the Royal British Legion and the church.

## Country Life.

Here, where the green baize hills and blowing harebells meet the sky  
I tread the old familiar tracks of Saxons, Celts and Danes,  
Watching the changing colours of the seasons come and go,  
Knowing each golden harvest, all the scents of country lanes,  
The silver notes of song-birds and the gentle bleat of sheep,  
And a kindly rounded moon watching o'er me while I sleep.

All this remains, the annual pageantry, the balanced rule of Nature,  
The never-ending cycle of creation and new birth.  
Yet change, like shifting seasons, is inevitable too,  
As purposeful and certain as the turning of the Earth.  
For Man's own ingenuity, his questing mind and soul,  
Must stamp his contribution to the pattern of the whole.

Long gone are the patient horses and the daily human toil  
Of sowing seeds and wielding scythes and following the plough.  
The blacksmith's hammer in the forge, the red glow of his furnace  
And swaying carts on market-days are but ghostly shadows now.  
Yet, integral to the cherished past, and clear as running streams,  
They're immortalised forever in the heart, like vivid dreams.

Over the hills in the man-made world the pace is unrelenting  
And giant concrete tower-blocks hide the glories of the sky.  
The rhythm and the harmony of Nature is forgotten,  
And unrelenting schedules leave no time to question why.  
And so I choose the country life, truths nothing can eclipse,  
To know the wonder of the stars just at my finger-tips.

Audrey Corbett

## YOUR CHANCE TO DO SOMETHING "SPECIAL"

North Yorkshire Police is recruiting for volunteer police officers, known as "Specials", who can use their skills and local knowledge to enhance the service provided by North Yorkshire Police.

Special Constables work on the front-line, and provide a vital link between local people and the police service. They play a crucial role in fighting crime and making our county safer.

North Yorkshire Police is looking for people from a variety of backgrounds, age-groups and walks of life, who could commit four hours per week to helping their community. Full training is given.

If you are interested, please visit [www.nyyspecials.com](http://www.nyyspecials.com) for more information or to complete a short Expression of Interest Form.

The deadline for Expressions of Interest is 29 August 2014

P.S. Reading this too late? Don't worry. North Yorkshire Police will be recruiting again in the New Year.

## Sale of Books 6th September 10 - 1pm

Thanks to the magnificent response to our request for books over the past two years, the Foxholes Village Hall Book Exchange has become a core feature of local village life on the Wolds.

However, due to limited space, both the shelves and our back room stock are now overflowing. Before passing on our, mainly duplicated, volumes we have decided to offer them for sale.

There will be refreshments available as usual and the books will not be priced; your donations will be gratefully accepted.

We continue to welcome donations of books, and are willing to collect them if that is convenient.

Our next regular Book Exchange will be 13th September and fortnightly thereafter. And, just to remind you, you do not need to bring a book in order to borrow one. You may take as many as you wish and return them at your leisure, the Book Exchange simply serves as a village amenity with a chance to socialise, have a coffee and browse our shelves. We now offer about 4,000 books with a diversity of subjects, both fiction and non fiction.

Looking forward to seeing you
