A View from Ryedale House

We are now well into the New Year and the challenges do not seem to get any the less. The staff restructuring of Ryedale Council has now been completed, however, I am unable to publish any details as we have not yet had a Full Council meeting to ratify the proposed new structure.

The setting of next year's council tax has also to be completed. As we are not the authority for providing Social

Care which is high profile at the moment, this will be for North Yorkshire County Council resolve. It is going to be a difficult issue to deal with especially with the anticipated increase in the cost of living that is heading down the road.

As I write the first of this year's council meetings for Planning, Policy & Review and Scrutiny are taking place. As a result, there is little that I can say regarding any relevant topics that may be of interest.

I ♥ SINGING

Have you ever wanted to sing in a choir? Then why not join us?

WOLDS VALLEY VOICES

A Mixed Choir of all voices, soprano, alto, tenor and bass.

We meet every Wednesday
Evening

at Weaverthorpe Village Hall
8.00pm till 9.30pm.

Please come along and have a go, we are a very friendly bunch of singers of varying ages and would like to swell our numbers. We sing all kinds of music from Musicals to Classics, Gospel, Pop and Soul.

We do not audition, nor do you need to read music. All we want is for you to come along any Wednesday and try us for a couple of weeks.

St Leonard & St Mary's RC Church, Malton

The parish of St Leonard & St Mary's RC Church, Malton, will be donating the Christmas crib offerings to Friends of the Holy Land supporting the poorest Christian families, especially around Bethlehem, the West Bank, Gaza and Israel, with education, employment, health and housing initiatives. FHL is apolitical and ecumenical.

The CAFOD Action Group has said thank you to those who supported the Connect2 El Salvador projects in 2016. They have helped the people of Puentecitos and the surrounding villages to set up small businesses and care for their land so that it produces better crops. The total raised in 2016 was £1459.70.

Collections from both of the children's Christmas services has been sent to support the street children in St. Ignatius of Loyola Parish in Taguig City, Manila, Philippines. The funds were being put towards their basic education provided by the Parish and to enable them to have a Christmas party for the children.

Masses at St Leonard & St Mary's take place at the weekend at 6.30 pm on Saturdays and 9.30 am on Sundays and various other services are held throughout the week.

Priest is Father Tim Bywater while Mrs Sue Westmacott is the pastoral assistant.

Weaverthorpe

Cold Snaps, Warm Homes Weaverthorpe Parish Council

Following on from the project named last year, when Weaverthorpe Parish Council worked with Rural Action Yorkshire to provide thermal images of the homes in the village, we have now secured a small amount of money as a Community Grant to enable us to provide fuel to any member of the community that cannot afford to buy fuel over the winter months.

If anyone is in this position they should contact the Chair or the Clerk, (details below). We will then liaise on a confidential basis with two parish councillors who have responsibility for the grant. Applications will be limited to one per household and will be dealt with on a first come first served basis. As this money has been allocated to us by a charity it will be necessary to check your eligibility to receive this help.

HGV parking in the layby at the west end of Weaverthorpe

During 2015 and 2016 Weaverthorpe Parish Council received a number of complaints from residents and users of the village hall saying that HGV's were using the layby opposite the village hall as an overnight lorry park. Parish Councillors received reports of drivers and companions defecating in the layby and on the track adjacent to it. Complaints were also received from residents that the HGV's parked, sometimes for a full weekend, were running their engines to heat the cab throughout the night. Others reported problems that people using the village hall could not park in the layby when events were held there. In conjunction with NYCC Highways Department we agreed to plant a hedge across the layby in order to prevent HGV's parking there. Additionally NYCC agreed that they would level the area after the hedge was planted as there were two large puddles there which also made parking difficult. We placed an article in the Warbler in June last year explaining what we intended to do and why we were doing it.

The hedge has been planted and NYCC are looking at the levelling out. No taxpayer's money has been spent as we secured a grant to pay for the materials and members of the Council gave their time to do the work. We are evaluating the success of this initiative and have a planned meeting with the local company that most of the HGV's visit in an endeavour to resolve remaining problems.

More recently we have had complaints that some drivers are now not able to turn around, as they use the layby for those manoeuvres, but there are other safe places to turn in the village and beyond, so, although inconvenient for some we feel that there are alternatives.

If you have any comments we would be pleased to hear them.
