

Warbler

A View from County Hall

Last Month the leader of NYCC John Weighell stepped down handing the leadership over to Cllr. Carl Les. Cllr Weighell is the longest serving leader of a county council holding the position for nearly fourteen years, a fact which has surely contributed to the stability of NYCC during this time. With the change of leadership came an inevitable reshuffle of the cabinet and I now find myself executive member for children's services, a challenging job but a position I am honoured to undertake.

At our executive meeting yesterday, we received the "Highway Condition Annual Report 2014/15" a hot topic for many of us living in rural areas. The "lesser used road" (categories 4a, 4b & 5) network have clearly been hit the hardest in these times of austerity and though there has been recent capital investment directed to these roads, it is estimated that this network will continue to make up about 80% of the maintenance backlog across the county. To improve the condition of the category 4 network to that which existed prior to the very harsh winters of 2011 and 2012 would require an estimated £56 million to be spent. Two useful tools to residents are -

A pilot scheme to track roadworks. Information about all road works around the county, can be found on an interactive map www.northyorks.gov.uk/notices

Online reporting of potholes - a little more complicated but worth the effort. Start at www.northyorks.gov.uk and go to "Transport & Streets" from the home page. Then "Highways & maintenance" and on to "Roads - Potholes" take the "Report a pothole" tab and you can make your report. You can also track its progress.

Helperthorpe Flower Festival

The flower displays at St. Peter's Church were magnificent - those that didn't see them missed a treat. Congratulations to the Ladies from Wold Newton who staged the displays.

The people who sponsored the displays must be proud to see how their titles have been interpreted Weaverthorpe Village Hall looked superb laid out for dinner on Friday evening with flower arrangements on every table. Congratulations to all concerned it will be hard act to follow.

Visitors staying at the Blue Bell had a delightful surprise when attending St Andrews Church Weaverthorpe this Sunday 14th June. A new style, traditional morning prayers service was led by Jono Trousdale a charismatic young Preacher and Church Warden.

We all came away with food for thought on our journeys through life and God's presents in it.

The visitors were heard to say that it had been a memorable end to their visit to Weaverthorpe.

These services will be held the second Sunday of each month at 10.30am followed by tea and cake.

All are very welcome to join us.

WEAVERTHORPE PARISH COUNCIL

Transparency Code for smaller authorities

The Local Audit and Accountability Act 2014 introduced a new audit framework for Parish Councils. Previously Parish Councils have been subject to two audits, an internal audit carried out by a competent auditor appointed by the Council, and an external audit carried out by a government appointed auditor. As part of the above legislation a Parish Council with turnover of less than £25000, will be exempt from the external audit.

From 2015 onwards Weaverthorpe Parish Council will be required to publish our accounts and governance statements on a website so that local electors and ratepayers can access the relevant information. This information is now published on the Luttons and Weaverthorpe website under the Parish Council's heading.

Weaverthorpe Parish Council will hold our next meeting in the village hall at 7pm on Monday 20th July 2015. For the first time in many years the Council has its full complement of Councillors, so come along and meet your new Parish Council.

Mobile Infrastructure Project - Weaverthorpe

During 2014, work was carried out to the mobile phone mast, that is situated on land at Gara Farm to the north of the village, to improve reception in the area..

Those of you who watched BBC Countryfile earlier this year will know that the project was funded by HMG's Department for Culture, Media and Sport.

Weaverthorpe Parish Council has been approached to gather feedback from the residents of Weaverthorpe as to how this project has affected them. The feedback required is:

Since the mast went live have you noticed any difference to the coverage available?

How has having a mobile phone signal proved beneficial to you or your family members?

Any other comments positive or negative are welcome

In order to feed this back to HMG, please let me have your comments by email, phone or personally using the contact details below, by 31st July 2015.

Thank you

I would like to say a massive thank you to our Secretary, Sue Thomson for organising our "walk with the animals" at Flamingoland on 9th June. Sue suggested this outing as a belated celebration of our 20th Anniversary and it really was an unforgettable experience, being at head height with the giraffes so we could feed them, peering down the throat of a hippopotamus, "stroking" (yes really!) a rhinoceros being just a few of the treats we enjoyed. Our guide, in the quiet hours after the public had gone home was Matt. He was obviously passionate about the work he does and he gave us fascinating insight into the conservation work that is going on there.

Our next meeting is a talk about Sledmere House at Weaverthorpe Village Hall on Tuesday 7th July.

Local Mum Vicky Bennett is embarking on a 174 mile coast to coast sponsored bike ride over 3 days to raise funds for Weaverthorpe Primary School.

The event will take place in September and is known as the Hadrian's Cycleway or "The Roman Way" starting in Ravenglass on the west coast and finishing in South Shields on the east coast. Encountering many hills along the way it will be a challenging journey.

The money raised from this sponsored cycle ride will go towards much needed classroom equipment. The school will be able to begin purchasing iPads for the children to use in class.

Vicky's target is £750, please help her reach this by using the link to the localgiving website which is localgiving.com/appeal/sponsoredcycle.

By using the localgiving website gift aid can be claimed on donations increasing the overall total by 25%. Cheques and cash can also be given direct to Weaverthorpe School.

KAY STANDS DOWN

At Kirby Grindalythe and Duggleby Parish Council meeting on 15th June 2015 Kay Husband announced that she was standing down as Chair Person as she had decided it was, in her own words, time for some new blood to take her place. Kay has been on the Parish Council for 30 years, as Clerk, Chair and for some time as both Clerk and Chair. However the Council are pleased to say Kay will continue as a councillor. The Council thanked Kay for her long service and dedication to the role by presenting her with a bouquet of flowers. Kay then wished the new Chair, Sally Lovelock, success in her role.
