

Warbler

A View from County Hall

Last week was our budget meeting at NYCC. The intense media publicity around the social care precept ensured that this issue featured heavily in our debates. We finally agreed an increase in general council tax of 1.99% and a 2% social care precept, alongside a continued programme of savings that will see our spending power reduced by more than a third over the course of this decade.

At the end of the week, I was summoned to Scarborough along with the Director and Assistant Director of Children's Services. NYCC have been short listed for the local government council of the year award and we presented an overview of our directorate to the four judges. Of course, we have to sell our best side, so the presentation was very positive. The savings we have had to make to our budget have necessitated a complete transformation of the service. We have been prudent, innovative and embraced the idea of change. I am confident that we would not have been short listed for this prestigious award if the outcome did not have a very positive affect on our service delivery.

INFORMAL SERVICE

I've just been to the second monthly Informal Service of the year at St. Mary's, West Lutton. What a joy it was! Although sadly our valley churches are emptying, this is surely the way to halt the exodus. Admittedly, I'm one of the musicians who play at the services but thus far, I have not been a regular church goer. If you feel you are not religious or are intimidated by the thought of entering a church, then think again! You are greeted by a friendly face, a bacon sandwich and a hot drink! Modern worship songs, informal discussion time and not a sermon in sight! Take part if you want or just sit and listen. This is a major community event for the valley so come and join in! The first Sunday in each month, where are you going to be? I'd like to think I know!

Litter Picking

Children walking on a daily basis from Helperthorpe to Weaverthorpe school are fed up of seeing all the litter that people throw out of their cars, and have taken matters into their own hands to clean up Our valley.

We started by ordering some litter pickers, and within one month we have managed to fill eight carrier bags and one empty pram full of rubbish. Well done!!

Unearthing the Weaverthorpe Quilt

Long, long ago we used to get together to work on squares for a village quilt.

These squares have now emerged from the boxes buried during building work.

So...can I invite everyone who worked on the squares for coffee, cake and a chat about what we do next on Saturday, 25th March at 2.30pm at Rarey Farm.

I look forward to seeing you there.
