

Warbler

A View from County Hall

I would like to take this opportunity to congratulate and welcome Tracie Middleton to her new role as Ryedale District Council representative for the Wolds Ward, I look forward to working with Tracie in the future. I would also like to renew my support for all of The Wolds Parish Councils that have committed to a new four year term of office and to thank them for their valuable work.

I read that parts of the country are at risk of becoming "democracy deserts" because over 300 seats in England representing 850,000 potential voters have been uncontested in the May local elections. This has been a steady trend for several years now and my own view is that if we want to encourage people to come forward from within our own communities to take on these roles, we need to streamline the local government structure, but also to give them full professional support and positive encouragement from within the community itself - that you!

As our new councillors take up their positions, I hope you will join me in helping to strengthen them in their work and bear the weight of their commitment and responsibilities.

Thank you.

Cllr. Janet Sanderson

The date for your diaries is 30th June from 12 noon to 5pm.

Main proceeds from the event will go to fund the replacement lighting in Weaverthorpe, as the current sulphur bulbs in the village will be unavailable soon and will have to be replaced with LED.

Weaverthorpe Community Spruce Up of Village Green

Weaverthorpe Parish Council
have been for some time trying
to finalise a make over of the
Village Green to include
replacing the white "birdmouth
fencing" with a more sustainable
alternative and changes to the
play equipment and seating.

Our efforts to get NYCC Highways to agree to the type
of fencing we think would look attractive, have so far
not brought any agreement, but we continue to work
on this.

Meanwhile the existing birdmouth fencing requires
some attention including a coat of paint as a
temporary measure to make the green look at it's
best for the Open Gardens on 30th June 2019. We
are therefore proposing to spend a few hours on the
Spring Bank Holiday on 27th May 2019. If the
weather is inclement on that date, we will carry over
the event to the following Saturday.

Anyone who would be willing to give their time to do
some painting on that day, simply turn up at the
Village Green from 09:00 onwards. If you cannot
make this date and would like to contribute,
donations of white gloss paint and paint brushes
would be very welcome.

Please contact Jeff House on 01944 738841 or email
weaverthorpeparishcouncil@gmail.com if you require
further information.

FOXHOLES LIBRARY

May 4th and 18th
10-12 noon Saturdays.
Easter weekend in the library was a particularly happy session, with Easter egg themed games and prizes, and refreshments served with warm hot cross buns and butter. Mmm, that lovely spicy smell which lets us know what time of the year it is.

May brings a breath of fresh air to the library. The tables are decorated with scented spring flowers, and the hall looks lovely and inviting. Along with our usual collections of jigsaws, DVD's, newspapers, and books on just about all subjects, we also have some new books on offer. Some are favourite authors and others bought on request.

We offer refreshments, so if you prefer to just sit in comfort and talk to your friends over a nice cup of coffee, you are very welcome to do so. We have a special childrens table where there is always a selection of interesting activities for children to quietly enjoy.

The hall has ample parking and everyone is welcome, no matter how far up and down the valley you live.

VILLAGE SOCIAL EVENT

It has been proposed that we have a village social event on Sunday June 23rd. Lord Middleton has given us permission to have the event on the area of grassland at the end of Salents Lane by the crossroads. It will be a bring your own food and drink afternoon and we are looking to organise a few games and activities for families to enjoy.

If anyone would like to get involved with helping to organise the afternoon please contact myself (01944 768541) or Kate Megginson (01944 768218).

We have put two new stone troughs on the grass triangle at the corner of Station Road. They have been planted up and look nice and colourful for the Spring and Summer.

I would also like to thank Andrew Williamson for his help in securing them to the stone base. In addition the council would like to thank him for his sterling work in grass cutting around the village. It is greatly appreciated.

I would like to take this occasion to wish all Wharramites a lovely Spring and Summer.
