## A View from County Hall

Yesterday I met with our new Stronger Communities officer to appraise him of the wonderful work carried out by the many community volunteers within my division. We also discussed how we might help move forward some of the new embryonic projects as well as continuing to support already established groups. There are small grant funds still around but we both noted that communities not only need to raise funds to carry forward their ideas but also need help in cutting through the "paper work" and it's the lack of support in this area that can so easily stall a project.

project.

The Stronger Communities team have four priority areas, Libraries, Children Young People and Families, Community Transport, and Older People and Adults and I think many of our Wolds villages will relate to these priorities. Details about Stronger Communities can be found on the NYCC web site in a brochure called "Inspire, Achieve, Innovate". The team are here to support you progress your projects in your communities.

## Wolds Valley 'Pop Up'

### Community Cinema

Our new posters with the Autumn seasons films detailed are on your notice boards up and down the valley now. Please take note of the odd date for the first film,

the acclaimed **THE GUERNSEY LITERARY & POTATO PEEL PIE SOCIETY**. It is on Saturday 22nd September at 7.30pm and will go back to the last Friday in the month at Weaverthorpe afterwards. Films are mainly being shown at Weaverthorpe as usual, but we will be "Popping Up" at Kirby Grindalythe and Foxholes. There is still no charge but we are entirely dependent on your generous donations. It costs us at least £120 to screen each film once, which covers us just for the licence and hire of the halls. Really looking to getting started and seeing you all.
