A View from Ryedale House

As lockdown has slowly loosened it has gladdened the heart to see shops, cafes and pubs getting back to some semblance of normality. Let's hope locals and visitors alike continue to stay safe and follow Covid guidelines to ensure we don't have to do a u-turn. There were no cases in Ryedale last week and I feel as a community we should be proud of the way we have reacted to the pandemic during the last year.

For the past few months I have been busy standing in as Chair of the Overview and Scrutiny Committee and was delighted to be voted in as Chair of the committee the next council year at the annual meeting last week. I have served on the committee since becoming a Councillor and feel confident that I can use this role to tackle issues that impact on the local area and to scrutinise decisions made by the council. We have a great cross party Committee with a varied wealth of experience and I believe we will work well together going forward.

Ryedale District Council has only a limited time remaining before it becomes a victim of local government organisation. I along with many other Councillors wish to work together to ensure the Council's reserves, that have been raised in Ryedale and much publicised are used to benefit residents here. I feel strongly that the reserves should not be swallowed up by larger authority, whatever form that may take.

Moving forward please be assured that I have no ulterior motive or desire to be a part of a larger Council and so will only act in the best interests of the residents and not for self interest or future aspirations of a position on the new Council.

Please do not hesitate to contact me if you wish to discuss any of the above matters or have any issues that need addressing.

Weavertorpe Village Hall

Hello Everyone,

The good news is that the Village Hall is now open and available for hire.

We are welcoming back all those users of pre-Covid as soon as possible. Some are already back!

I reported last month that a new weathervane was to be put up - it is now up and working. Looks good too!

The newly planted trees are all starting to come in to leaf. In a couple of years they will start to look lovely and provide additional food and shelter for birds and wildlife.

I also reported last month the restart of the monthly Brunch Club. This too went ahead on Friday 21st May. A great success with 33 people (plus two high chair toddlers), over the two sittings, enjoying a welcome return - together with a free glass of Prosecco to celebrate being back.

Brunch Club in June: please note that our June Brunch Club will take place on Friday 25th June - this is due to some of the team being unavailable the previous week. **Note:** Would you please let anyone you know that may not receive an email copy of The Warbler about the change of date for this event.

100 Club: It was great to get back to drawing the 100 Club numbers during Brunch Club. It was even better as all the winners were present at the time of the 'draw'. The winning numbers for May were 58 - 1st Prize (£20); 34 - 2nd Prize (£10) and 86 - 3rd Prize (£5). Martin Pearce (on behalf of the WVH Committee).

West Lutton Plant Sale

In aid of St Mary's Church, West Lutton

Our very great thanks to everyone who donated plants and cakes for the plant sale, held at the Church and at Manor Farm on 22nd May.

The event raised the sum of £329 for the church, which is terrific, and much appreciated! Thank you!

With thanks from Barbara and Marian

WOLD NEWTON

The Anvil Arms is now open and offering meals on Monday evenings and Sunday lunches. To book - and for any further information - please telephone Sheila (01262 470279). The re-opening on May 17th was a huge success, with tables filling all the available space and the rest of the month very well booked.

The Community Centre had a trial re-opening for Tai Chi classes in May and it is hoped that this will enable more use to be made of the building in June. Please Telephone Judith (01262 470367) for any further information.

The Mega May Day Raffle raised an impressive total of £725 towards the essential repairs and refurbishment needed by the church. This was then boosted by another £70, raised by individual efforts in the village, which took the total to a massive £795! A great start and thank you to all who helped, bought or sold tickets and turned up to the draw for cake and a drink.

We hope that some of you will come along to join bits of June's sponsored 'Pilgrimage Walk' or maybe cheer on any tired walkers along the way.

Sponsored Walk / Pilgrimage (not quite as far as in the Canterbury Tales) starting on June 22nd from All Saints' Church, Wold Newton. 31.5 miles in total, taking place over 5 days in fairly easy stages. All dates are provisional at the moment, depending on the weather etc.. Anny Bibby is leading this. She only has little legs so she doesn't walk very fast and hopes that others will join her, either for a stage, a day or even for the whole distance! The walk begins and ends at churches in the area and starts at 10.00 a.m. each day.

22/6 Wold Newton via Fordon to Burton Fleming. 5.5 miles.

23/6 Burton Fleming via Thwing to Kilham. 7.8 miles.

24/6 Kilham via Rudston to Boynton. 7.8 miles.

25/6 Boynton via Grindale to Carnaby. 6.2 miles.

26/6 Carnaby to Emmanuel Church Bridlington, after walking through Bessingby, into Bridlington, through the centre and past Christchurch. 4.25 miles.

Sponsor forms, donations and more info. are available from Anny (01262 470287). I am hoping that my arthritic knees will carry me from Wold Newton to Fordon and maybe on to do another couple of partial days. If I can do it.....?
