## A View from Ryedale House

It has been a busy few months at Ryedale District Council, my new role as Chair of the Overview and Scrutiny Committee has taken more of my time and we as a committee have been deciding what areas to focus on the next year.

We have taken the decision to review three main areas, Affordable Housing, the Staff Appraisal system and to review the new Enforcement Officers role and whether any improvements can be made. The decision on the Local Government reorganisation has been received and whilst very disappointed, I along with other Councillors will do our best to work together with North Yorkshire County Council to do the best for our residents moving forwards. My main concerns with the reorganisation is to try and ring fence the reserves that have built up for use by the residents of Ryedale and not allow them to be swallowed up by the new, rather large Council, whether this is achievable is not known.

As a member of the Cattle Market working party I have a lot of residents that may be affected by any decision and have a viewpoint on the way forward. I would appreciate receiving your views on this matter so that these can be taken into consideration when any decisions are made.

Unfortunately, the Chair of the working party Councillor John Clarke sadly passed away recently, he will be a great loss to the Community, the Council and I shall miss his support and advice. I hope that we can still work together to bring forward the Cattle market project.

If you have any queries or if I can offer any help, please don't hesitate to contact me. Email is preferred as I often have no signal down in the valley.

Cllr Tracie Middleton

### WEAVERTHORPE STREET PARKING

Weaverthorpe Parish Council have had complaints from residents about vehicles that park on the pavement and block part, or in some cases, all of the pavement. Where people who have children, many in buggies or prams or anyone using a wheelchair will have to navigate around vehicles on the pavement and use the road instead. The Parish Council have asked me to request that drivers do not park on the pavement but have all four wheels on the road. In our discussions with the Police, they have said that parking of vehicles on the road is actually useful to reduce speeding through the village.

Jeff House

Clerk to Weaverthorpe Parish Council.

## Weaverthorpe Village Hall

### Weaverthorpe Village Hall

Hello Everyone,

Not much to report this month - but I will report that the Committee is contemplating the provision of a new access ramp to the main hall - one that complies with the 'Wheelchair Ramp Regulations'. Unfortunately, neither of the current ramps meet those regulations. Our debate will cover which end of the building to site the new ramp and the question of whether to construct a 'porch' to cover it in.

I will keep you informed as to how things proceed.

That's it for now.

In the meantime, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804.

### Brunch Club

August's Brunch Club took place on Friday 20th where we introduced a new start time, for the first sitting, commencing at 09.30hrs.

The reason for this is that Norma (our very competent chef) very kindly, every month, drives in from Scarborough to manage the cooking side of things. Norma usually arrives at the Village Hall (VH) some time between 07.00 and 07.30hrs in order to do as much 'prep' as possible before the first sitting.

Now, although many of you may not think it, but Norma is not getting any younger (fact) and, as we approach autumn and winter, it seemed sensible to review our systems to make life easier for all.

And this is what we came up with;

1. Put back the start of the first sitting to 09.30hrs - that means Norma can have an extra half hour in bed;
2. Review the 'Cooking' staff arrangements such that there is not as much onus on Norma. We have done this by introducing more 'Cooks' in to the 'Team' i.e. Tricia Milner, Gill Trowsdale - and Sue Pearce as a 'stand in' as and when required;
3. Implement a rota system for the new 'Cooks' for them to be able to start the 'prep' (as Norma currently does) at around 07.30 to 08.00hrs making it possible for Norma to arrive at the VH in her own time - and also dependent upon the weather or how she might be feeling that day.

With all this change how does this affect you - our guests? Well, apart from a slightly later start time, for the first sitting, not at all. 'Front of house' will see all the usual helpers - Mary McKinley, Liz Mills, John Rummel, Sue Pearce and myself - and hopefully, in the not too distant future, Trevor Thomson. At 'rear of house', at any one time, there will be at least two 'Cooks' plus Anne Downes - Anne seeing to the washing up (as and when it arrives). I must not forget Stephen Milner who, at the end of 'service' (together with Tricia - up until the new regime) has stepped up to complete

the washing up for us.

The reason I am telling you all this is that Brunch Club is the mainstay income for the VH. But, more importantly, we consider that it is 'your' Brunch Club and we want you to feel very much a part of it, and to know and understand how it works.

By introducing small changes as we go along, we hope that we can continue for many years to come.

So, finally, thank you all for your support thus far!

And finally, finally, please do not forget that all the monies raised at the September Brunch Club - to be held on Friday September 24th - will be dedicated to Macmillan Cancer Support. Please, please come along - and not only enjoy a great Brunch but know that your donation is going to a marvellous charity.

### 100 Club

The August Brunch Club saw the 'draw' for the final month of the 2020-21 year. The 'draw' took place during the second sitting with the winning numbers of 68 (1st Prize), 92 (2nd Prize and 62 (3rd Prize). Well done to the lucky winners.

The new 100 Club year starts again this month (September) and those for whom I have email contact have been reminded of this.

I will be phoning all the remaining 100 Club members - some time during August - pleading for you all to remain as members and, hopefully, asking you to retain your current numbers.

The next 'draw' will be the first for the 2021-2022 new season and will be drawn at the September Brunch Club.

Best for now,  
Martin Pearce  
(on behalf of the WVH Committee).

### Foxholes Craft Group

Started over 40 years ago in the old village school hall, the craft group was formed to pool ideas for 'modern' living.

Everything from recycling, up-cycling, fashion, sharing skills, recipes, - (we have a comprehensive library of recipes and crafts), swapping fruit and veg after a glut, making jam, holding fundraising and craft events, sewing and knitting and crochet tips, finding friends, and of course, before the coming of smart phones, the necessity of sharing local news and information, all round a big table, and a pot of tea.

The cakes may be different now, but tea is still a firm and welcome tradition.

We would love to meet you and you can be sure of a warm welcome. Absolutely no skills necessary. Interested?

Please come along to the hall any Monday afternoon 2-4pm and join us for tea.

If you have a project, we will try to help. You may not need much equipment, as we have been the grateful beneficiaries of lots of materials and equipment over the years. Take a tip from our home grown Olympian, and chill out with a craft.

I was careful not to say, 'Dive into a craft'! Tom chose knitting, but there is so much more to enjoy.

Craft group September:  
6th then weekly. 2-4pm

Art co-op September:

## East Yorkshire Geopark

## Towards a UNESCO Global Status Geopark for East Yorkshire PRESS RELEASE

For a number of years now a small group has been investigating the possibilities of an application to UNESCO for global geopark status for East Yorkshire, with support from a growing number of individuals, local, regional and national agencies, universities and other bodies.

Global Geoparks are given to areas of outstanding and unique geology and landscape in recognition of their wealth of historical heritage, tourism, and investment into local economies and people.

The proposed Geopark (see map) would run along the River Derwent in the West and North to Filey Brigg, along the coast in the East to Spurn Point and then along the Humber and Ouse in the South. This would encompass the Vales of York and Pickering, the Yorkshire Wolds and Holderness.

It is recognised that there is much talk about AONB status for the Yorkshire Wolds which our project supports for where the former is a legislative designation with a legal framework of planning and conservation, a Geopark is an international designation of an area. There is no conflict of interest between the two proposals.

There are at present 8 UNESCO designated Geoparks in the UK, with 4 'aspiring ones' and 3 'interested areas', including East Yorkshire.

The progress towards Geopark status is long with many hurdles and procedures to follow before we declare ourselves a Geopark prior to the actual application to UNESCO.

Do you have a few hours per month to spare?  
Are you looking for a flexible volunteering opportunity?

If so

**SIGHT SUPPORT RYEDALE WOULD LOVE TO HEAR FROM YOU**  
We are a small charity, based in Norton, which provides support and social activities to people who are living with sight loss.

#### We provide:

Peer support groups, gentle exercise sessions, walk and talk groups, craft sessions, IT support, excursions and shopping trips

#### We need:

Volunteers who would enjoy supporting visually impaired people, on a 1:1 basis, at our activities or to help with refreshments at our peer support groups

If you prefer, you could become a telephone befriender; some of our members just want to have a regular chat

#### Experience and Qualifications:

Experience of working with blind or partially sighted people is NOT necessary as full training will be given. A friendly nature, empathy and an interest in people, especially older people, is a must. You would also be a good listener and have a non-judgemental attitude

#### Interested?

Please contact Julie or Nicole Tel: **01653 698860** for more details and an application form. We normally ask for two references and you'll be required to undertake a Disclosure and Barring Service (DBS) check before training and an induction is provided.
