## A View from Ryedale House

It has been another busy few months at Ryedale House. It's good to be getting back in to face to face meetings, although some are still taking place on line. I'm sure like everyone getting back to some semblance of normality and interaction with others has been beneficial to both my physical and mental well-being.

The Local Government Reorganisation is well on its way now and both Officers, staff and Councillors have been busy working together to achieve the best possible outcomes for Ryedale when the District Council ceases to exist in 2023. We hope to leave the area in a good, strong position and I for one am in support of using monies available to complete projects in the area to benefit the residents.

Whilst I do not intend to continue in Local Government after the reorganisation, I feel it is important for women to become more involved to ensure fair representation moving forward. Following the 2019 council elections, just 35% of councillors are female.

Local government significantly impacts vital services, from education and adult social care, to housing and jobs and local government spending actually accounts for almost a quarter of the UK's total – but how and where much of this money is spent is being decided in councils where an average 7 in 10 of councillors are male.

Recent events and my own experiences whilst serving on the council have shown that there are ongoing issues and to achieve any improvements we must acknowledge and address matters that some may find uncomfortable. This is fundamental to making it easier for women to become councillors but also create a culture where they wish to stay. I am happy to offer any encouragement, support or advice to those who interested in becoming involved.

Unfortunately Covid is still highly prevalent in the area with cases rising daily, please continue to protect yourselves and others by adhering to any guidelines provided and above all, respect others.

### RBL Poppy Appeal

As per last year, due to Corvid I will not be going door to door selling poppies. I will however set up a small stall and collection box outside Littlebeck (west end of Weaverthorpe) from the last week of October. Anyone requiring crosses please knock on the door. There will also poppies available in The Star and the Blue Bell. Your support is most welcome.

A time to reflect a time to remember the 11th hour of the 11th day of the 11th month a WW1 Song with modified words as Soldiers do, to lift moral, to the Tune What a Friend we have in Jesus, listen to Catherine Pavers version on YouTube the best one. Ticklers Marmalade was made in Hull so the song has a local East Riding connection.

### When This Lousy War Is Over

When this lousy war is over, no more soldiering for me,  
When I get my civvy clothes on, oh how happy I shall be.  
No more church parades on Sunday, no more putting in for leave,  
I will miss the Sergeant-Major,  
How he'll miss me how he'll grieve.

No more standing to in trenches,  
Only one more church parade,  
No more NCOs to curse us,  
No more tickler's marmalade.

When this lousy war is over,  
No more soldiering for me,  
When I get my civvy clothes on,  
Oh how happy I shall be.  
People said when we enlisted,  
Fame and medals we would win,  
But the fame is in the guardroom,  
And those medals made of tin.

When this lousy war is over,  
No more soldiering for me,  
When I get my civvy clothes on  
Oh how happy I shall be.

### Private George Crozier, 1st Battalion, the Green Howards

August 23, 2019 |

Remembering the Fallen: on this day in 1971, Private George Crozier, 1st Battalion, the Green Howards, was killed in Northern Ireland. He was in the Ardoyne area of Belfast, at an observation post in the Flax Street mill, when he was fired on by a sniper. He was taken to the Mater Infirmorum Hospital on the Crumlin Road, but had passed away before he arrived.  
Private Crozier had joined the army in 1965 after having been employed on a farm. He is buried in the graveyard of the parish church of St. Mary, Sledmere, in East Yorkshire. The Daily Express journalist, Paul Dacre, wrote on seeing a photograph of Private Crozier: "It was a haunting face. Young enough to be hopeful. Old enough to know better. A soft face hardened by reality."  
George, from Cowlam, near Driffield in East Yorkshire, was 23 years old.

A time to reflect 50 years on a Local lad helping with the troubles in Northern Ireland lies in Sledmere Church Yard, shot dead August 23 1971 whilst on "stag" a soldiers term for Operational Sentry Duty.

### Weaverthorpe Village Hall

Hello Everyone,

Here is an update on the proposed new ramp and porch to the west end of the Village Hall - The plans have been submitted to Ryedale Council and we are now waiting to hear what alterations to those plans may be required. Hopefully there will be none and we can move on to the next stage i.e. requesting quotations from builders. Obviously, we would prefer to use local craftsmen, if at all possible, but we will, in any event, require at least three quotations in order to satisfy our charitable status.

Another development has been the purchase of a new dishwasher for the kitchen. The old one sprung a leak which would have necessitated an outlay in the region of £200 to fix. It was clearly cheaper, in the long run, to buy new.

In the meantime, as usual, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804.

But finally, and for those of you who are not aware, at the VH we have quite an extensive library of books plus some jigsaws. They are all on shelves within the kitchen lobby area. When down at the hall please feel free to browse the books - and if you would like any then please help yourself. However, we would ask for a donation of 50p for each book or jigsaw you take. Once finished with just return it to the shelves - but don't expect your 50p to be refunded!

Martin Pearce (on behalf of the WVH Committee).

### Weaverthorpe Brunch Club

The September Brunch Club (BC) was a great success - we raised over £300 for Macmillan Cancer Support! So thank you to all those that came along to support this event - we hope the winners of the raffle prizes were happy with their wins.

Once again the BC for October had to be deferred by one week due to a shortage of 'helpers' for the scheduled date of 15<sup>th</sup> October.

However, the good news is that we now have two new helpers - Sylvia and Chris Dowgill from East Lutton. They seemed to enjoy their first experience of being on the 'delivery' side of things and hopefully will be able to help out in the future - thanks to you both.

On the note of 'helpers' the BC sub-committee were wondering if there was anyone out there who might also like to volunteer. None of us are getting any younger and, whilst it is not an arduous task to provide the BC breakfasts, we do find ourselves, at times, short of numbers. Ideally, if we could find another two pairs of hands we could put together a rosta. This would alleviate our current problem of having to, on occasions, defer a scheduled BC Friday due to helpers being on holiday. If you are interested then please get in touch with either myself (on 07971963797 - email [martin.pegarce54321@gmail.com](mailto:martin.pegarce54321@gmail.com)) or Trevor Thomson on 07972 132158 or 01944 738804.

Moving on. Our further good news is that the October BC was a resounding success. We served 40 adult brunches (plus one 'takeaway') and two children's breakfasts. Our Kitchen Staff worked hard to serve 24 adults at the first sitting - but thought that there is capacity for more if need be. However, that will be for the future - the reason being that at the moment we can probably only cater for 30 (max) at a sitting and still be able to maintain the 'social distancing between the tables.

Our November and December Brunch Clubs will be on the usual 3<sup>rd</sup> Friday's of the month i.e. the 19<sup>th</sup> November and 17<sup>th</sup> December.

We will be continuing with the 'two sittings' arrangement i.e. 09.30 and 10.45. So please contact Trevor Thomson on 07972 132158 or 01944 738804 to book your place and let him know you'll be coming along.

That's it for now, thanks.

Martin Pearce (on behalf of the WVH Committee).

Saturday 2nd October

£250 profit was made on the day, divided between the Friends Of Weaverthorpe School & Weaverthorpe Country Women's Association.

A further £123 was paid to the 'Friends' as a result of the Blue Bag collection.

Thank you to everyone who helped to sort, sell & clear the hall afterwards.

Thank you also for your donations.

### 100 Club

The new 100 Club year commenced at the September Brunch Club and the winning numbers were 14 (1<sup>st</sup> Prize), 57 (Second Prize) and 71 (Third Prize).

The October 'draw' took place during the October Brunch Club and the winning numbers were 30 (1<sup>st</sup> Prize), 75 (Second Prize) and 61 (Third Prize).

We now have 97 of the original 100 numbers taken by our 100 Club members - which shows fantastic support for the upkeep of the Village Hall. Thank to all you members.

However, if anyone would like to become a 100 Club member don't worry about there being only three numbers left - we can easily extend the numbers available. So, just call or email me on - 07971963797 or [martin.pegarce54321@gmail.com](mailto:martin.pegarce54321@gmail.com).

### **WEAVERTHORPE BRANCH**

During our last meeting we were entertained quite literally by the entertainments manager for Butlins holiday camps. Lovely stories & images of life & entertainers at the Butlins camps.

Our next meeting is Tuesday 9th November 7.30pm in the village hall. Our talk for the evening is entitled "Black Cats & Cracked Mirrors".

Guests are very welcome £3.50 including refreshments.

Contact Sue Thomson 01944 738804 for further information.

### **Halloween Disco**

**Friday 22nd October 2021**

An absolutely fantastic night at the Halloween Disco at the Village Hall. So many great costumes, and a huge amount of effort from parents and children went into the costumes.

We would like to let you know that we made £124.27!

None of this would've been possible without the help and support from very generous people, who donated their time, decorations, sweets etc.

Thank you to the following:

Sue Thompson of Butterwick and Pete and Jill from Rarey Halt for your kind donation of confectionery.

Jenny Driver your time, decorations and Disco.

Ray & Liam Thwaites for serving the hotdogs.

Biggest thanks to Gemma and Maisie for organising the event...

Thank you so much to the community for attending and supporting us, The money raised will all go to school, and will go towards assisting our school to fund the education of our children.

Looking for a field to rent locally for a pony, preferably walking distance to East Lutton. If you have one available, please contact Harriet on 07566 241865

### **LUTTONS BONFIRE NIGHT**

**Friday 5th November**

Traditional bonfire night celebration will be held, as usual, by kind permission of Mr Andrew Thornton on his field which is situated off Back Lane, West Lutton.

The fire will be lit at 6.30pm followed by hot food & soup then a fireworks display

Everybody is welcome not just residents of West Lutton.

The event is free of charge, but is now self-financing so a donation bucket will be passed round at the end, proceeds from this will help fund next year's event.

**IN THE INTEREST OF SAFETY & TO COMPLY WITH INSURANCE PLEASE DON'T BRING FIREWORKS/SPARKLERS TO THE EVENT.**

Tel.... Charlotte 07732700747

Mr Thornton has requested that nobody takes any rubbish to the bonfire as he is building the fire. This is because of people putting things like mattresses etc on the fire despite repeated requests not to do so, resulting in a lot of debris having to be removed from the field after the event. Please adhere to this otherwise we won't have a venue for future years bonfires....thank you.

Do you have a few hours per month to spare?  
Are you looking for a flexible volunteering opportunity?  
If so

**SIGHT SUPPORT RYEDALE WOULD LOVE TO HEAR FROM YOU**  
We are a small charity, based in Norton, which provides support and social activities to people who are living with sight loss.

#### We provide:

Peer support groups, gentle exercise sessions, walk and talk groups, craft sessions, IT support, excursions and shopping trips

#### We need:

Volunteers who would enjoy supporting visually impaired people, on a 1:1 basis, at our activities or to help with refreshments at our peer support groups

If you prefer, you could become a telephone befriender; some of our members just want to have a regular chat

#### Experience and Qualifications:

Experience of working with blind or partially sighted people is NOT necessary as full training will be given. A friendly nature, empathy and an interest in people, especially older people, is a must. You would also be a good listener and have a non-judgemental attitude

#### Interested?

Please contact Julie or Nicole Tel: **01653 698860** for more details and an application form. We normally ask for two references and you'll be required to undertake a Disclosure and Barring Service (DBS) check before training and an induction is provided.
