## A View from County Hall

Last week we unanimously supported a revised 20mph speed limit policy which places greater focus on active, sustainable travel, such as cycling and walking, and encouraging a sense of place. The revised policy follows a review and recommendations by the council's Transport, Economy and Environment Scrutiny Committee. It continues to support 20mph limits and zones where appropriate, taking a targeted, evidence-based approach, while broadening its scope to recognise the importance of community and social interaction.

@woldsvalliewarbler

We listened to active campaigners seeking a default 20mph speed limit in all built-up areas of the county but thought a more locality-based approach was better. Saving people's lives and making our roads as safe as possible is of the very highest priority. Whilst every casualty is one too many, I am pleased to report that accidents on our county roads are on a strong downward trajectory. The areas where we have road safety challenges include motorcyclists, newly qualified drivers, older drivers and drunk or drugged drivers. Accidents in built up areas are relatively low and a blanket approach to the introduction of a 20mph would divert resources away from dealing with evidenced key safety issues. A blanket approach would also require engineering methods such as speed bumps to self-enforce the limit and these often come with their own set of problems.

The newly adopted policy sets out a more tailored rationale and assessment process and includes the opportunity for greater focus on the sense of place and community, particularly around schools. The policy assures us that where there is a history of speed-related collisions that would benefit from a reduced limit, including 20mph, such measures would be taken forward.

### WEAVERTHORPE STREET PARKING

There have been several complaints from residents about vehicles that park on the pavement and block part, or in some cases, all of the pavement. Where people who have children, many in buggies or prams or anyone using a wheelchair will have to navigate around vehicles on the pavement and use the road instead. Police have requested that drivers do not park on the pavement but have all four wheels on the road suggesting that parking of vehicles on the road is actually useful to reduce speeding through the village.

### Weaverthorpe Village Hall

Hello Everyone,  
I hope you are keeping fit, safe and well.  
Not much to report this month – I guess it's just the usual quiet January blues.  
But in fact it is because the 'copy' for this month's Warbler had to be with the editor a week or so earlier than usual. Because of this I am unable to report on anything from the Village Hall Committee meeting. Sorry - but I will give you all an update in March.  
In the meantime, as usual, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804.  
Martin Pearce (on behalf of the WVH Committee).

### Weaverthorpe Brunch Club

The January Brunch Club (BC) was put back to the 28<sup>th</sup> January – this was due to the VH being used on the evening of Thursday 20 and there was insufficient time to set up everything for the BC in the early hours of Friday.  
However, I am unable to give you any feedback of the day as the event took place after this Warbler's 'copy' was put to bed.  
But there is one piece of news. You will recall my mentioning our newest BC helper Hazel and that she was thrown in to the kitchen for the Christmas BC. Well, Hazel was good enough to suggest that the oven and cooker could perhaps do with a clean and proposed that her husband Ian would gladly undertake the work – seeing that is his profession. Who we were we to suggest otherwise?! Now sparklingly clean. THANK YOU IAN!!  
Moving on - please note that the February BC will take place on the usual 3<sup>rd</sup> Friday of the month i.e. Friday 18<sup>th</sup> February. We hope to see all the regular

faces then – but why not bring along someone new and introduce them to a fabulous and friendly breakfast experience.  
As usual, and to book your place on either the first (09.30hrs) or second (10.45hrs) sittings, please contact Trevor Thomson, on 07972 132158 or 01944 738804, to let him know you'll be coming along.  
That's it for now – and thanks again for your support.  
Martin Pearce (on behalf of the WVH Committee).

The January 'draw' took place at the January Brunch Club but, as this event took place after this Warbler's 'copy' was put to bed, I am unable to inform you of the winning numbers.  
As usual, should you wish to join the 100 Club just email or call me on – [martin.pearce54321@gmail.com](mailto:martin.pearce54321@gmail.com) or 07971963797.  
Best for now,  
Martin Pearce (on behalf of the WVH Committee).

### **WOLD NEWTON**

#### **ALL SAINTS' CHURCH**

It is hoped to offer a celebration of St. Valentine. More details nearer the date. Please check on the church noticeboard or with one of the churchwardens. All information could alter, of course, depending on Covid regulations, so if in any doubt please call the vicar, Rev. Barbara Hodgson 07734467174 or one of the churchwardens: Carol 01262 470838 or Julie 01262 470546.

This is on Thursdays 4.15 - 5.30 p.m.. Any newcomers are very, very welcome to join our small group. Contact John (01262) 470210. Practice time could be changed if necessary. We don't always sing in church.

The church remains open daily for private prayer and contemplation; also for visitors wishing to experience its history and beauty as well as accessing the village Library/Book Exchange. (Light switches to the left of the door.)

#### **Thursday 'Teas and Natter'**

This is in abeyance until a risk assessment has been completed. Otherwise, all are invited to call in for a free coffee and biscuit from 2 - 4.00 p.m. on Thursdays. #### **NEW for 2022—SEED EXCHANGE**

A box will be in the church by the books (N. aisle, near the organ) in which people can leave spare seeds. We all end up with more than we need and we vow to keep them and use them — most of us don't and they go out of date! If people have spare seeds (veg. or flowers) please just leave them in the box provided and help yourself to any that others have got spare and have donated. Hopefully this will get going and grow as the growing season commences. Please seal seed packets (mice!) although we hope to have a lidded box soon.

#### **SUPPER CLUB**

It is hoped to re-start these once a month at The Anvil Arms. Please contact John Butler 01262 470210 for further information

#### **THE HINGE BOX**

This is in the church porch and continues to be very well supported, providing much needed food and essentials for struggling, local families. Based in Bridlington, the Hinge is now receiving more referrals from local authorities and is even busier than it was. All donations are very much appreciated. In 2019, 205 food parcels were supplied. The quantity has soared and this year 500 are required for the homeless and families in difficulties. Several are on the breadline. If you would like to help one of these families any extras would be appreciated, as well as the usual foods and essentials. Thank you to anyone who can donate anything, even a tube of toothpaste or a tin of baked beans!

#### **WOLD NEWTON COMMUNITY Facebook Group**

This continues to provide much needed community information.

Send to your friends overseas and in the UK so they can see the loveliness of our corner of the Wolds - or just have a beautiful and useful calendar on your wall next year, knowing that the proceeds have gone to the Heritage Fund to support the ancient church building. £400 raised so far!

# Ryedale Community Transport

## Call for Help

### Car Scheme - Volunteer Drivers

We are a charity that was established in 2005 to coordinate volunteers who were willing to give some of their time and use their personal cars to transport people in Ryedale from their homes to medical appointments or local towns for shopping or other appointments. We have grown since those times and today have over 1100 members registered on our Car Scheme.

Our volunteer drivers have been the backbone of this growth. Today, in 2022, those needing help have increased but the number of volunteer drivers have dwindled often due to their increasing age. ***We desperately need more people to step forward and help. This might be you.***

There is no "ideal" volunteer - young or old, retired or working, male or female - just somebody who has access to a reliable car, has spare time on a regular or occasional basis and wants to help their fellow citizens in their village, local area or in Ryedale.

Our members are charged 45p per mile for their journey. This money is given directly to the volunteer driver and covers their mileage from their home to collect the member, take them to their appointment, wait up to two hours for the appointment to end, drive the member home and finally returning to their home. The charity receives none of the money.

It is obvious that having a volunteer driver living nearer to a member reduces the number of "dead miles" (when the member is not in the vehicle) so the travel cost reduces, often helping those on low income.

The money the driver receives is non-taxable and is for the running cost of the journey. The volunteer's contribution to the charity is their time.....

If you feel able to volunteer you will need to have a fully roadworthy vehicle capable of taking a passenger who is maybe frail, elderly or have limited mobility.

We will arrange for you to have a DBS check with NYCC in order for you to obtain your volunteer identity card. If you feel you would like to help, or want further information, please call

**Linda on 01653 699059.**

**Thank you.**
