

Warbler

A View from County Hall

Once a year, we have our important "JOBO" day (Joint Board meeting) when the executive members of NYCC meet with the CEO and his directors. We are in effect shut in a room to discuss where we have been and where we are going as a council. Of course we meet on a regular weekly basis but on our JOBO day we look at the broader landscape, thrash out new ideas and look for opportunities and themes.

When I first joined the council in 2011, the four year theme was "One Council" the entire infrastructure of the council was pulled out and streamlined. We then moved on to "2020 North Yorkshire" which saw a more service based restructure, looking at efficiencies through new and innovative ways of service delivery. Our "Beyond 2020" is a working extension of the past theme because after cutting the budget by around a third and having the continual pressures of a demand lead service, we are just about cut to the bone and still have to plug a £14 million gap in our budget.

So whoever our new Prime Minister turns out to be, I hope that beyond the obvious priority for them to address, they will look with some urgency at the fairer funding of Local Government because ultimately it is where the likes of you and me feel most directly the effects of a stall in the system.

An Evening of Music with Trilogy

Thank you to all who attended our concert on 14th June. We really can't express how much we appreciate your local support and kindness.

Trilogy are thrilled and proud to inform you that we raised just under £2000 for St Andrew's Church, Kirby Grindalythe.

It has opened people's eyes, from far afield, to the beauty of St Andrew's, appreciating the beautiful stained-glass windows and the amazing Murano Glass mosaic from Venice. Lord Andrew Lloyd Webber sent us a lovely letter expressing how he wanted to attend our concert, however on this occasion, is in America with his new production, Cinderella. Andrew sent all his best wishes and hopes to attend our next concert.

Our next concerts, in Yorkshire, are at The Wesley Centre in Malton on 11 October and 13 December. It would be lovely to see you at our next concert in Yorkshire!

'A Quiet Time in Wharram' Sunday August 11th at 10.30am

Do you feel at one with yourself, those around you and the wider world, or can life leave you feeling disconnected as you don't have the time or space to reflect? If the answer to any of the above is 'yes' come and join us for a 'Quiet Time in Wharram'. We will meet in Wharram Church, a beautiful building at the heart of the village welcoming those of any or no faith for over 1,000 years, which offers a timeless tranquillity.

Feel free to come and sit quietly, to breathe deeply and to reflect. If you would like to bring something which means a lot to you to share with others that would be most welcome but all you really need is yourself. 'A Quiet Time in Wharram' is not a religious service but a chance to step out of your normal life. We welcome absolutely everyone and also your ideas as this is very much an experiment. Of course, there will be coffee, biscuits and chatter afterwards!

Bus service 190 – Foxholes to Malton

The Parish Councils in the Great Wolds Valley have been advised by North Yorkshire County Council (NYCC) Passenger Transport section to inform us that the contracts for

the subsidised local bus services are due for renewal in April 2020. As part of the renewal process, NYCC is seeking comments on these services, so that it can be better informed when preparing tenders for new contracts. One of the services listed for renewal is the 190 service from Foxholes to Malton.

A few years ago when the Post Bus was axed, the Parish Councils lobbied NYCC to ensure that the valuable service that had been provided by the Post Bus was not lost with the result that NYCC now provides the subsidised service directly.

Your Parish Council will be writing to support the renewal of the service, but it also needs those who use the service to write to NYCC to let them know how vital the service is to the residents in the valley. If you are a regular user of the service please take some time to let NYCC know how important it is to you, by replying to their request. NYCC need comments to be received by 31 July 2019, these should be sent to:
