

Warbler

A View from County Hall

On Friday 6th May, all election candidates and their agents will assemble at Malton Sports Centre to observe the counting of your votes cast on the previous day. Watching the individual votes land on the table is one of the most humbling situations I have ever found myself in. Thousands of worthless pieces of paper turned out of the black ballot boxes but with a priceless value because they represent our democratic process - the right to vote. A right that in the past women have given their lives to acquire and one which many would still lie down their lives to uphold as seen in Ukraine right now.

As each vote is opened, I can't help but think about each individual making the effort to be part of this democratic process: the busy worker raising early to call on their journey way to work, the elderly struggling to get into the polling station because they are determined to have their say and too proud to ask for a postal vote, the busy parent sometimes bringing their child with them as a learning experience, the voter that turns up at the very last minute because they fell asleep after a busy day. All of them with a great sense of public duty and each individual making up the whole.

Wherever you put your mark on 5th May please keep this image in mind because your vote really does count and you the electorate really do have to live with the candidate you select.

I have been privileged to represent the best ward in North Yorkshire for the past eleven years and so I know where to find all the interesting spots. I leave you today with a simple homage to my recent time delivering leaflets. Please feel free to join me here https://youtu.be/IQ_NL9PhOGs doing the "Working the Ward Walk" you might even have your letter box featured!

Weavertorpe Village Hall

Here we are and it's May already! If it would just warm up a little!!

After this recent cold snap what we want is some warm weather to take us in to Summer – and soon!

So, what is happening? Well, the new porch extension has had to take a step backwards as we have numerous things happening at the VH over the summer - and we do not want building works to be ongoing during those events. And, in all honesty, one of our potential contractors has come up with a possible alternative to the submitted plans - I am in the process of speaking to the Planning people to see if the suggestion is acceptable, or whether new plans need to be submitted. When we have a start date for the construction, I will let you know. Upcoming events are:

13th May (Friday) – Rock Choir at the VH. This should be a great evening as the Choir are and Conductor and both excellent. It will be a superb evening with laughter and songs - which you all will know and can join in with. £10 per head including light refreshments. All proceeds going towards the Ukraine Crisis. Contact Trevor Thomson for tickets.

4th/5th June (Sat and Sun) – Queens Jubilee celebrations. See the notice boards, flyers and information within this copy of The Warbler.

26th June (Sun) – Open Gardens.

3rd July (Sun) – Yorkshire Wolds Cycle Challenge. This is a 2-day event where cyclists travel 144 miles (72 miles each day). The ride starts and finishes in Norton raising funds for Ryedale Special Families. WVH have been asked to provide the afternoon refreshment for the returning 200 plus riders. We are expecting the riders to travel through Weavertorpe sometime between mid-day and five-o'clock – spread out as the faster riders will come through first. This should be quite an event to see.

27th August - Weavertorpe and District Produce Show. More details to follow.

In the meantime, as usual, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804.

Martin Pearce (on behalf of the WVH Committee).

Weavertorpe Brunch Club

Our April Brunch Club (BC) was our busiest ever – with 44 adults and 13 children – held on Good Friday. The whole event was a pleasure throughout.

With a great team of helpers everyone got served without any delays.

The kitchen worked like clockwork with a surprise when the last orders for the first sitting was called at around 10.00hrs – thus giving our cook and plating staff a well-earned short break before the start of the second sitting.

Most of our guests left with a full tummy, a smile, and ready to meet the rest of the day.

Our upcoming May BC will be on the usual third Friday of the month – on Friday 20th May.

My plea for more 'Helpers' has been answered. With any luck we will have two new ladies at our May BC. The details are yet to be sorted but I am optimistic that this additional help will resolve a long standing problem of having to change the BC dates due to helpers being on holiday.

If there is anyone else that would like to volunteer that would be great – just give me a call on 07971963797. As I said in last months Warbler it's a great way to meet people - and have a laugh at the same time.

To reserve your place at May's BC please contact Trevor Thomson, on 07972 132158 (by text), or email him on weavertorpevillagehall@gmail.com to let him know you would like to come along. Trevor will get back to you should he need to.

That's it for now. And thanks again for all your continued support - as without it the Village Hall income would be severely hit. Martin Pearce (on behalf of the WVH Committee).

The April 'draw' took place as usual at our April Brunch Club.

The winning numbers were, 23 (1st Prize); 5 (2nd Prize) and 30 (3rd Prize).

As usual, should you wish to join the 100 Club just email or call me on – martin.pearce54321@gmail.com or 07971963797. The cost for one number is £1 per month payable for the year in advance i.e. anyone joining now would pay £4 for the remaining four months of the 100 Club year. Then £12 for the 2022/23 100 Club year.

Best for now,
Martin Pearce (on behalf of the WVH Committee).

WEAVERTHORPE OPEN GARDENS

2022

The date is set as the last Sunday in June (26th). This will be our sixth event and over the years it has contributed to several charities and in 2019 we were able to make a substantial contribution to the cost of the LED Street Lighting in the village. This year we hope to make a similar substantial contribution to the cost of improvements on the village green including replacing the bird mouth fencing with more robust and smart recycled materials that will have a life of many years.

BUT, we are struggling. In the past we have had at least a dozen (or more) gardens. This year we don't even yet have even 10 gardens. It doesn't even have to be a garden. Perhaps you have a hobby or charity you would like to promote in some way.

The Open Gardens is always an enjoyable day. This year for the second time we have a coach bringing members of Saddleworth Garden Club. There will also be an exhibition at the Church of Family Wedding Gowns and Christening Robes as part of the celebration marking 200 years since the start of the Tatton Sykes refurbishment.

So, please have a think about it. The gardens do not have to be pristine, visitors enjoy seeing a work in progress and understand that sometimes children and pets take precedence!!!

We would appreciate if you are thinking of joining in, let us know by 6th May please.

As many of our customers know, Rachel & I have sold the Star Inn and will be leaving on or before 27th May 2022.

To celebrate the last 6 years, we'd like to invite all our friends and customers to the pub on Saturday 7th May 2022 to party with us - there will be a buffet but we will not be offering any food service that evening.

We are not moving to far away so look forward to being on the other side of the bar; but wish to thank everyone for all their love, support and friendship during our time here.

Finally, a massive thank you to our current staff, who have made our journey here so special...

Weaverthorpe Jubilee Festival Saturday 4th - 5th June

This is for the valley and all age groups (See details later in this document)

Flyers giving full details will be coming through letterboxes at the beginning of May, and also if anyone has art or craft items that they would like to display in the Village Hall on Sunday 5th June, they should contact Sue Pearce by email.

sue.pearce14@yahoo.co.uk

Anyone planning to attend the entertainment on the green on Saturday evening may want to bring chairs for their use during the course of the evening. Also, if anyone has Gazebos available to lend, could they please bring them to the Village Hall on Sunday morning if possible, please?

Wolds Merlins Finish As Double Runners-Up

The Wolds Short Mat Bowls Team who are based at Ganton Village Hall are celebrating the end of the 2021/22 season with their team, 'The Merlins', winning both the Scarborough & District League Runners-up trophy and Challenge Cup Finalists medals.

Originally founded in time to play two teams in the 2019/20 season, the Merlins finished as Division Two Champions and were looking forward to playing in Division One in 20/21 Unfortunately, as with the rest of the country, they had their season cancelled due to the pandemic.

When play resumed last September, due to a lack of returning players, the League found themselves having to abolish Division Two, as several clubs in the League, including the Wolds had lost their second and third (in one case, fourth) team.

Club Chair, Pete Arthur said 'The Merlins started the season with the intention of finishing in the top half of the league, so that if Division Two is resurrected next season, we'd stay in Division One. Finishing as runners-up in both competitions has been a real bonus especially as the top team in both League and Cup are our old rivals BLC Corsairs (Bridlington Leisure Centre). Many of the founding members of both clubs started Short Mat at the Bampton and Buckton Club, so we have many friends among their two teams. We wish them well and look forward to locking horns with them again next season'

Anyone wishing to have a try at Short Mat Bowls are welcome to join us for a free taster session at one of our social bowling evenings or afternoons (small charge for tea/coffee and biscuits) Bowls and overshoes are available for those who don't have any of their own equipment, along with help and guidance for those who've never tried bowls from our friendly members.

For further details of our social bowls sessions timetable, talk to Jean on 07791 787693. or email teddbandme@gmail.com

Wharram Le Street

As we have done for the last couple of years Wharram Wombles have done a big litter pick along a stretch of the B1248 leading from our village. We collected a total of 30 bags of litter over the course of a couple of hours. It is, as always, very annoying that we should have to do this collecting but once again the excellent community spirit in Wharram has come to the fore.

Those of us who took part would like to offer a great big thank you to Kate Megginson for organising the group.

POP UP CHOIR - All Welcome!

You are warmly invited to sing with a pop up choir to perform at the opening of the Jubilee Celebration in West Lutton. This will be fun and low pressure.

The event begins with the King and Queen processing through the village with the choir African drums and a band performing together at 11am at West Lutton Primary School field. This will only last around 15-20 minutes. During the rest of the afternoon there are lots of people contributing from 11am til 5pm with local bands, a ukulele band, classical trio, ceilidh dancing, refreshments and stalls.

Practices for the choir and some of the drummers and musicians will be at Manor Farm, West Lutton YO17 8TA next door to St. Mary's church, West Lutton, on the following Fridays:

May 6th, 13th, 20th, 27th

Time 6.30pm til 8pm.

Any questions phone John on 07786 982076.

Thursday 'Tea and a Natter'

All are invited to call in for a free hot drink
and biscuit from 2 - 4.00 p.m. on Thursdays,
commencing 3/2/22. Parents collecting
children from school are especially welcome
and Anny (a qualified, registered Ed. Psych) is
available to talk over any issues their
children may have. Again, please contact
one of the churchwardens or Anny 01262
470287 for details.

***** NEW for 2022 *****

SEED EXCHANGE

Two lidded boxes are in the church by the
books (N. aisle, near the organ) in which
people can leave spare seeds. We all end up
with more than we need and we vow to keep
them and use them - most of us don't and
they go out of date! If people have spare
seeds (veg. or flowers) please just leave
them in the box provided and help yourself to
any that others have got spare and have
donated. Hopefully this will get going and
grow as the growing season commences.
Please seal seed packets so they don't get
mixed up.

THE HINGE BOX

This is in the church porch and continues to
be very well supported, providing much
needed food and essentials for struggling,
local families. Based in Bridlington, the
Hinge is now receiving more referrals from
local authorities and is even busier than it
was. All donations are very much
appreciated.

In 2019, 205 food parcels were supplied.
The need has soared and now 500 are
required for the homeless and families in
difficulties, with some on the breadline. If
you would like to help one of these families
any extras would be appreciated, as well as
the usual foods and essentials. Thank you to
anyone who can donate anything, even a
tube of toothpaste or a tin of baked beans!

Sherburn Local History Society: Our Next Meeting

Big Date for your diaries: Monday 9th May 2022: 6.30 at Sherburn Village Hall.

We are very proud, delighted and excited to be welcoming the internationally known and award winning **Professor Dominic Powlesland to offer us an illustrated talk about the archaeology of Sherburn and surrounding areas.**

In 2019 Professor Powlesland was awarded the British Academy Landscape Archaeology Medal for his contribution to the subject, for pioneering methodologies for large scale excavation, Landscape Research and the application of computers in field archaeology.

Professor Dominic Powlesland is the Director of the Landscape Research Centre and has been actively researching the archaeology of the Vale of Pickering since his first visit to Cook's Quarry in West Heslerton in 1977.

His massive excavations covering nearly 30 hectares at Cook's Quarry, West Heslerton combined with more than 40 years of air photographic surveys from satellites, planes and drones, covering the southern side of the Vale of Pickering from the river Derwent to the northern edge of the Wolds from Rillington to Binnington, and more than 1500Ha of high resolution geophysical survey have combined to make **this area one of the most intensively studied archaeological landscape for its scale in the world.**

The latest of the current settlements in the research area, Sherburn, sits within a landscape of intensive activity from the mesolithic to modern times - covering over 10,000 years of completely unanticipated levels of human activity.

His research has revealed an extraordinary past revealing, for instance, the impacts of climate change and pandemics in the post Roman world but also the rapid loss of a unique archaeological resource through increasingly industrialised agriculture.

Expect to see awesome slides and information showing, for instance, what appears to be a Mid/Late Saxon tithe processing centre in Sherburn visible from the air and geophysical survey overlain on air photography visible in Google Earth.

This evening promises to be of great interest to local people wanting to know more about their history, as well as 'Time Team-type' addicts, other archaeologists, computer and air photographic enthusiasts, puzzlers/problem solvers or the simply curious. **An opportunity not to be missed!!**

Please do come along....

Teas, coffees, biscuits and a warm welcome await ...Entrance fee £3 for visitors and £2 for member.
