

Warbler

A View from County Hall

As a community, being witness to the immense historic moment of the Platinum Jubilee was a unique experience that I doubt we will ever see the likes of again. What a plethora of emotions it drew out of us all - pride in our bedecked villages, communities sharing food and celebrating together after being starved of companionship for the last two years. The joy of getting through to the other side of the pandemic and a sense of resilience that we can, and we will face together the next set of problems that are already presenting themselves before us.

At NYCC, we are preparing a "This is me at The Jubilee" book for our children in care. It's a template for our children to fill in, who they are, and an interaction including a quiz comparing their life with the reign of The Queen. I have been set the unenviable task of introducing the book in a single speech bubble with two short sentences. These are my best attempts so far, and perhaps a good memory for us all to keep in mind.

1. At this historic moment we wanted you to have a reminder of what you loved at this moment in your life.
2. To take inspiration from The Queen who has dedicated her life to watching over us all.

The Queen may not be with us for many more years to come, however for anyone in public service - or otherwise, she leaves a massive exemplary legacy, that will always remain with us.

God Save The Queen.

Weaverthorpe Village Hall

Well – wasn't the Jubilee Weekend a great success?

And wasn't the special edition 'Jubilee Warbler' a great summary of the event – well done Trevor!!

So what is happening at the Village Hall?

Well, by the time you read this we will have held two memorable events – the first being the 'Open Gardens' weekend (Sunday 26th June) and second, the 'Yorkshire Wolds Cycle Challenge (Sunday 3rd July)'. Hopefully the weather will have been kind for both of these events and that the village can get behind them – visiting some of the superb hidden gem gardens within Weaverthorpe, and also giving support to the 200 or so cyclists taking part in the charity event.

For the VH the latter event will have been one of the biggest to have been staged in recent years. The logistics of providing food and drink for that many people has been somewhat of a headache (Sue Thomson heading up the research for the victuals we are to provide). But it will only be afterwards that we will know if we got it right - fingers crossed as the event happens every year and we would like to be a part of it for years to come.

The saga of the porch extension is not yet resolved as we now have another proposal for the construction. Instead of building the framework in timber (which is currently very expensive), it has now been suggested that we might look at using a steel frame instead. More research required. Within the hall itself we are to look at providing a number of electrical sockets within the storeroom. I know, we don't understand why there are not power outlets there either. Anyhow, once we have power in the storeroom, we will be asking our electrician to install a power supply into the shed - so that we can charge the battery for the strimmer.

In addition, we have, for some time now, struggled to manage with the fridge/freezer in the kitchen – not enough 'freezing' room! For that reason we have decided to purchase a chest freezer. It will go in the storeroom - but only after we have

'power'!

As a consequence of the fire to the outside wall at the western end of the hall, we have decided to install a CCTV system. All positive so far!! What else is happening? Starting we think in August, and on the second Friday of each month, a drop in coffee morning at the VH from between 10.00 and 12.00hrs. Pop along, unwind, have a chat, and browse the hundreds of books we have available for purchase – only 50p per book. Coffee, Tea and biscuits available. Saturday 27th August - Weaverthorpe and District Produce Show. More details to follow. Saturday 10th September – an evening looking in depth at historical Weaverthorpe. A proposal to see again the pictures shown at the VH during the Jubilee weekend of Weaverthorpe in the past. But, on this occasion, to have time to really see the pictures and to hopefully have one or two people who can remember the events and describe what was going on. More details later on. Friday 30th September – Pop-up Cinema Returns! Hurrah!! More details in this Warbler and to follow. I think that is about it for now. In the meantime, as usual, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804. Martin Pearce (on behalf of the WVH Committee).

Weaverthorpe Brunch Club

From the Village Hall perspective – in terms of revenue generation – the Brunch Club (BC) continues to be our 'jewel in the crown'. And, not only that, but our guests also really enjoy the occasion.

Friday 17th June saw our ladies (in the kitchen) prepare 45 breakfasts. This was another well attended BC with one lady (Jackie) – who just happened to be passing – popping in to see if we could find a place for her. Of course we managed to get her seated – and, by the time Jackie had finished her breakfast she was practically a 'regular'. Spread the word Jackie!!

So thanks again to all of you who make this monthly event the success it is. Without you the village hall would struggle to make ends meet.

Hope to see many of you in July – July 15th actually – so, reserve your places by contacting Trevor Thomson, on 07972 132158 (by text), or email him on weaverthorpevillagehall@gmail.com to let him know you would like to come along.

Martin Pearce (on behalf of the WVH Committee).

June's 100 Club 'draw' was at our June Brunch Club.

The winning numbers were, 57 (1st Prize); 76 (2nd Prize) and 9 (3rd Prize).

Our membership for the 100 Club continues to grow steadily with new members joining almost every month. We now have close to 60 members who, between them, have 108 numbers.

So thank you again for that support.

Best for now,

Martin Pearce (on behalf of the WVH Committee).

WEAVERTHORPE OPEN GARDENS

On 26th June, the 6th Weaverthorpe Open Gardens was held on a fabulous sunny Sunday afternoon attracting lots of people to our lovely village.

Twelve very varied gardens, displaying their owners' own preferences in style and appearance, gave our visitors (including a coach outing from Saddleworth Moor Garden Club) a good selection to visit. The feedback from our visitors was complimentary and friendly, which has come to be a tradition for this event.

Everyone involved with serving refreshments at the village hall worked very hard serving wonderful teas and cakes and the option of bacon and sausage butties

was very popular. The two pubs were also kept busy offering food and drinks.

St Andrews Church was host to an exhibition of wedding dresses and christening gowns with a local connection, to celebrate the 150th Anniversary of the restoration of the Church by Tatton Sykes.

A collection of classic cars was on the village green

which offered an alternative to those without green fingers and a display of tractors. as a tribute to Armed Forces Day, reminded us of past and present conflicts in these uncertain times.

The main event raised just over £1,200 profit, which the Parish Council will use to improve the village green. The Church and the Village Hall also raised always needed funds.

Special thanks go of course, to the garden owners who worked so hard to present their wonderful gardens in tip top condition on the day. And last but not least let's not forget the many other volunteers, who contributed to the day by baking cakes, serving teas, selling programmes and generally helping out during the event.

Sherburn Local History Society

Important Information:

Change to meeting schedule:

The Society was planning to have a Local Photograph Meeting on the evening of Monday 4th July (**apologies for any inconvenience, but there will be no meeting now that evening**).

We have decided it would make sense to combine this into a bigger photo event on

Saturday 23rd July of 'Photographs and Local History Day for Families and Friends'

This will be held at Sherburn Village Hall from 1pm, this will be an Open Day for all.

The 23rd July will also be our 'End of 1st Year Event', so will be offering also a flavour of the events and speakers we have held in this amazing start to a Local History Society all set to go from strength to strength into a second year.

The Family Day is being offered as a result of a suggestion at the AGM...for anyone not able to attend evening meetings, including young people...so....

We would love to see as many regular faces and new people and accompanied young people as possible. There will be historical photos of Sherburn, people, places, themed activities and displays, also a rolling slide show, it could be your opportunity to solve some mysteries about your local families and friends; you can bring your old photos and pictures and chat with other local people.

There will be tea, coffee and juice, a raffle and lots more, all will be warmly welcomed...

.Don't forget Saturday 23rd July at 1pm....further specific details to follow shortly...

ALL WELCOME
