A View from County Hall

At our July full council meeting where decisions made by the executive were ratified, we also had two "notices on motion" brought to us to debate. Both items were on climate change, and both shared the request to create a new scrutiny committee to deal with the single issue of climate change.

Climate change across the county is of course extremely important, we have already seen the consequences of flooding, the recent hot weather event and the horrific devastation of the fires both in open country and sadly now in communities across the region. The consideration of climate change is already a golden thread that runs through all our policies and decision making. We have always undertaken an Equalities Impact Assessment at the end of every report, every decision made, and policy made. During the last term of office, we made the decision that a Climate Change Impact Assessment should also sit alongside the EIA.

The notices on motion had the potential to have unintended consequences which we needed to understand clearly such as the impact on recourses, how it gels with everything else we are doing to address climate change and the possibility of it even diluting what we are already doing by moving it away from everything that we do to a single scrutiny committee. As a consequence, we made the decision to bring the two notices to the executive for consideration so that the full implications could be tested. Policy decisions are often worse for being made on the hoof, better policies are delivered when full consideration is given to all eventualities and a slight delay would not affect the outcome if it meant getting it right first time.

As executive member for children's services, the best legacy we can leave our children is to ensure that the planet is protected. I will do all within my power to ensure the best policies are made to do this.

St. Andrew's Church Weaverthorpe

Thank you to all those who donated dresses for the Celebration Event at Weaverthorpe church and to those who supported and helped with this.

Thank you to everyone who came along to the Clay Shoot at Cottondale, helped with the event and to Terry Harper for allowing us to host the event at Cottondale.

Both these events raised much need funds for the church to enable us to continue to try to keep Weaverthorpe church and the churches of the Wolds Valley open in these difficult times.

Weaverthorpe Village Hall

And here we are – August already!! And haven't we had some warm days!! From the Village Hall perspective the weather was good for us for the two major events held at the end of June and the beginning of July i.e. Open Gardens and the Wolds Cycle Challenge (WCC) respectively.

Both these events went very well indeed – the Open Gardens attracting many people to the village.

The feedback from those taking part in the WCC was that our rest stop – which was the last before finishing the Challenge in Norton - was the best they had experienced over the whole weekend. That is exactly what we set out to achieve.

The next major event at the VH will be the Weaverthorpe and District Produce Show – which will be held on Saturday 27th August. See the details elsewhere in this Warbler.

An update on the proposed new porch extension. After taking everything in to consideration the VH Committee have decided to stick with the existing plans and to move forward in trying to obtain quotations for the work. This is currently in hand.

As a consequence of the fire that was set at the western wall we have now installed a CCTV system that records all comings and goings.

A new freezer is on order – well it might have actually arrived by the time this article gets published. This will help with the storage of foods for the Brunch Club and other events as we move forward.

Our first 'Coffee Morning' was held on Friday 8th July with several people turning up to enjoy a cuppa and a cake. Future Coffee Mornings are to be held on the second Friday of each month from 10.00hrs to 12.00hrs. So please pop along, have a chat with friends and just relax. The next dates are 12th August and 9th September.

Now, an **EXITING NEW EVENT**: Starting Saturday 3rd September, we intend to hold our first **Weaverthorpe Village Hall Monthly Market**.

The 'Market' will be open from 10.00hrs to 13.00hrs and will, initially, be aimed at local producers – but may well end up with stall holders from a wider field. We will just have to see what happens. In addition to various stall holders there will be tea, coffee,

cakes, plus bacon or sausage baps. Anticipated stalls are Fresh Vegetables, bread and cakes, jams and chutneys, furniture, bric-a-brac, local honey, plus, with any luck, many more.

This is an event that we would like to grow and for it to be successful month on month. If we don't give it a go we will never find out!

Just to remind you that on Saturday 10th September there will be an evening looking in depth at historical Weaverthorpe. This is an opportunity to see again those pictures that were shown at the VH during the Jubilee weekend – plus some additional ones. And to hopefully have one or two people come along who remember those times and can provide some information about what was going on. The show will start at 19.00hrs and their will be a light supper provided. Please put this date in your diary as it will be an entertaining evening.

The return of the ever popular "Pop-up Cinema" will take place on Friday 30th September. Hurrah!!

There will also be a Quiznight with Hot Supper on 1st October.

More details on all events can be found in this Warbler.

I think that is about it for now.

In the meantime, as usual, if you would like to hire the hall then please contact Trevor Thomson on 07972 132158 or 01944 738804.

Martin Pearce (on behalf of the WVH Committee).

Weaverthorpe Brunch Club

July was another well attended Brunch Club (BC) – thank you to all our guests.

However, we have come to the conclusion that with having just two 'sittings' this, effectively, puts pressure on our kitchen staff and also creates a waiting problem for some of our guests.

For this reason, in an attempt to alleviate the above issues, we are amending or 'sitting' times and will now have three 'sittings'. So, commencing at our August BC the new 'sitting' times will be 09.15, 10.15 and 11.00hrs. We will see how it goes - and make amendments as we think they are needed.

As usual we hope to see many of you on August 19th. So, also as usual, please reserve your places by contacting Trevor Thomson, on 07972 132158 (by text), or email him on

weaverthorpevillagehall@gmail.com to let him know you would like to come along.

Martin Pearce (on behalf of the WVH Committee).

July's 100 Club 'draw' was at our July Brunch Club – actually a little late as I forgot all about it. Eventually the draw was done in the company of all our helpers.

The winning numbers were, 59 (1st Prize); 38 (2nd Prize) and 45 (3rd Prize).

Thank you all again for your support. Just to remind you that the August draw will be held at the August BC - and that this will be the last in the 2021/22 year.

In late August/early September I will be in touch with all current members in respect of your continued membership.

Best for now, Martin Pearce (on behalf of the WVH Committee).

IMPORTANT CHANGES TO OUR SHERBURN AND RILLINGTON DISPENSARY SERVICE

We have recently reviewed our dispensing processes; due to the current pressures our team are experiencing. To maintain a safe and efficient service for our patients we are making some slight changes.

From 1st August we are asking you to give us a minimum of 4 days from ordering your repeat medication to collecting them. This means if you order your medication for example on a Monday then we will expect you to collect on Thursday. Our dispensary team are not working on a weekend so please do not include a Saturdays or Sundays in those 4 waiting days. Whilst some dispensaries have ceased any telephone ordering, we feel due to the rurality of our practice population this is important to maintain. However, we will be reducing the telephone access for ordering prescriptions to between 10-12noon.

We have reinstated our outside post box at Sherburn meaning both practices can now receive your medication request slips when we are closed.

Both acute and repeat medications can easily be requested via the NHS app or via the online access via our website www.srpractice.co.uk (new users will need to complete a simple registration form available from reception), this means you do not need to make contact with the practice until you come in to collect your medication.

If you feel these changes may cause you difficulties then please discuss these with Carol, our Dispensary Manager, or a member of her team and we will work together to resolve any concerns you may have.

Thank you for your understanding and continued support.

HUNMANBY AND DISTRICT GARDEN AND PRODUCE ASSOCIATION

Steven Rose

Our 75th annual open show takes place on Sunday 7th August, due to the pandemic it is our first since 2019. Our show secretary and committee have worked hard to put on this special event and we are all looking forward to what we hope will be a bumper day for exhibitors and visitors. To that end there will be gifts for all children who exhibit, special prize cards and certificates and commemorative medals for our trophy winners. We do hope that we have categories to suit everyone who wishes to enter and these include, Flowers, Fruit and Vegetables, Cakes and Preserves, Crafts and Art and Photography. Its only 30p per entry, free for children and you could be a winner. Exhibits can be staged on Saturday 6th August between 6 pm and 8 pm and on the morning of the show between 8 am and 10 am when the exhibition rooms will close for judging. For those who wish to come along and enjoy the afternoon we will open to the public at 2pm admission 50p for adults free for children. There will be refreshments and a raffle. Presentations to the winners will be from 4 pm. The show is held at the Community Centre, Stonegate, Hunmanby.

To commemorate this special event we have produced a 75th booklet giving a potted history of the association right back to its beginnings in February 1944. Adults and children have contributed memories of past shows and anecdotes from our records are included. Did you know that the very first trophy to be awarded was presented by Sir Billy Butin in 1946 who offered the dining hall at his holiday camp in Filey to stage the show. The trophy is still competed for to this day and took me two hours to polish to be ready for presentation. The commemorative booklet will be available on the day free of charge so be sure to take one. See you all there.

REPLACEMENT BENCH FOR HELPERTHORPE

As part of its efforts to make improvements for the community and for visitors to the area, Luttons Parish Council has established a programme of community bench replacement, siting new benches along footpaths and cycling routes. The next bench to be replaced is the deteriorating wooden bench just to the west of Helpertorpe on the National Cycle Network Route 166, a Sustrans regional route in the Yorkshire Wolds. As with the Parish Council provided benches in West Lutton and East Lutton, the replacement Helpertorpe bench will be bought from British Recycled Plastic which is an independently-owned British business based in Yorkshire that manufactures maintenance free benches that are made from 100% recycled material and are fully recyclable. John Wane, Chair of Luttons Parish Council said: "I was delighted that we were able to engage with British Recycled Plastic to provide the benches for our Parish. Not only are the benches durable and will never rot or splinter, they offer a positive environmental contribution and are made in Yorkshire!"

The siting of the benches is aimed to encourage physical activity and to support mental well-being. The Helpertorpe bench will be the fifth Harewood style bench from British Recycled Plastic to be installed. Further benches will be replaced and installed as part of a rolling improvement programme by the Parish Council.

Martin Pearce, the Chair of the Parish Council Environmental Working Group, stated: "In selecting the location of each of our five benches we wanted to choose spots that would encourage members of the community to engage in physical activity safe in the knowledge that there would be somewhere comfortable to rest for a while and to take in some of the stunning views of our local area. Knowing that, once installed, the benches not only look attractive and also fit well with their surroundings, are maintenance free and are environmentally friendly, fulfilled all Parish Council key requirements given our strong focus on community, the environment and on sustainability".

The Helpertorpe bench has been ordered and will be installed as soon as it has been delivered.

WEST LUTTON MAKERS AND BAKERS EVENT WITH A TWIST

After an absence of 2 years due to the Covid 19 pandemic, Saturday 23 July saw the return of the popular West Lutton Makers and Bakers Event. This year, however, also saw the introduction of an added dimension; a Village Scarecrow Festival.

Kind weather on the day and considerable pre-event promotion activity ensured that attendance from around the area was strong. Those who came enjoyed a wide range of stalls and demonstrations with people being able to interact with those displaying their crafts and considerable skills. The amount of talent on show was phenomenal with displays including willow weaving, sketching and painting, felt picture making, pottery, candles, sewing and crochet and woodwork in the form of bird and bug houses. The tombola and raffle stalls proved a popular draw while the bric-a-brac and book stalls also caught the eye of the crowds. On the food and drink front, bacon butties and burgers sold like hot cakes and were supplemented by ice creams, teas, coffees and cold soft drinks. The Cake Stand provided another great opportunity for talent to be demonstrated and it rapidly sold out of its exceptionally enticing wares. Excellent musical entertainment was provided throughout the day by members of the growing West Lutton folk group.

The Scarecrow Festival caught the imagination of many in West Lutton and the range of Scarecrows on display was as imaginative as it was incredibly impressive. It was the first time seen in the village since 2010. Scarecrows ranged from singers, cyclists, surfers, tractor drivers, window cleaners, gardeners, head massagers, Victorian bathers to cartoon and story-book characters and even insects. The Scarecrow Policeman with his Speed Camera ensured that traffic past the event kept to the speed limit and that order was maintained. While most of the Scarecrows could be spoken about, there was 'one who could not be named'. Happily, Harry Potter was on hand to ensure that nothing untoward happened to the muggles of the village.

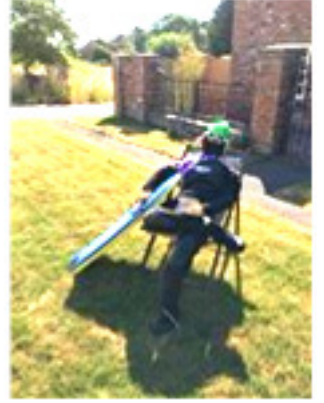

A huge thank you to all who supported the event. We raised over £1000 for the church, which was amazing! We still tried to ensure the event was accessible to all, with the delicious burgers and bacon butties at very reasonable prices- just £2.

As the church is currently our only village building for the community, it is great we can keep it going. So many churches around the country are having to close. So we're really pleased to keep St Mary's afloat. Without the wider support from the community this wouldn't be possible. We hope the church can continue to be used for the community. Do ask if you would like to use it.

The atmosphere of the event was very relaxed and there were great conversations going on, which was lovely to see. New people came and our trustee regulars were there too. Big thanks to all who came and supported the Makers and Bakers and who enjoyed the scarecrows.

See over for Scarecrow pictures.

WOLD NEWTON

ALL SAINTS' CHURCH

*CHOIR Practice is on Wednesdays 4.15 – 5.30 p.m.. Any newcomers are very, very welcome to join our small group. Contact John (01262) 470210. Practice time could be changed if necessary. We don't sing just in church and you don't have to be able to read music.

The church remains open daily for private prayer and contemplation; also for visitors wishing to experience its history and beauty as well as accessing the village Library/Book Exchange. (Light switches to the left of the door.)

SEED EXCHANGE

Two lidded boxes are in the church by the books (N. aisle, near the organ). Please just leave seeds in the box provided and help yourself to any that others have got spare and have donated. Please seal seed packets so they don't get mixed up!

THE HINGE BOX – this is in the church porch and continues to be very well supported, providing much needed food and essentials for struggling, local families. Based in Bridlington, the Hinge is now receiving more referrals from local authorities and is even busier than it was. All donations are very much appreciated. A can of beans- a bar of soap ... all become major and welcome gifts.

WOLD NEWTON COMMUNITY Facebook GROUP

This continues to provide much needed community information. Books and resources are now based in the church, which is opened every day.

THE COMMUNITY CENTRE - For all information regarding hire of the Centre and events there please contact Judith 01262 470368.
