

## A View from County Hall

The big story to tell this month has to be the Coronation, the images of which will stay with us for decades. The huge Coronation Procession from Westminster Abbey to

Buckingham Palace moving off simultaneously on a single command was an unrivalled spectacle and a masterpiece of coordination. Communities and volunteers across this division joined in with communities across the whole country, celebrating the Big Lunch and The Big Help Out. There was a real sense of the broader national community as we all interpreted the weekend with bespoke versions of the same event. I would like to give thanks to all volunteers across the division who made this weekend so special and for the seen and unseen work they do on a regular basis. Our communities would not be the same without you.

I was very proud to represent the area of "Thornton Dale and The Wolds" division at a Coronation Celebration in Ripon Cathedral by kind invitation of The Lord-Lieutenant and The Dean of Ripon. The address was given by The Right Reverend John Pritchard who spoke about the hope that comes with a new reign. He made a very remarkable observation, saying that when hope came without evidence, often the evidence changed to match that sheer blind faith in the future. This theme was echoed by the Prince of Wales paying tribute to his father at the celebration concert later that evening "Coronations are our declarations of hope for the future". As part of the lead up to the Coronation, children across the county had written prayers about the Coronation and what it meant to them personally. As executive member for children's services, I believe children are our hope for the future. I pay tribute to the very special prayers compiled by them, three of which formed part of the service on Sunday. The Lord-Lieutenant closed the service with a toast to The King and Queen.

God save The King!

## St Andrew's Church Weaverthorpe

Unfortunately, we have experienced minor incidents of vandalism at church, please let us know if you see anything suspicious. There have also been incidents of bike riding on the paths, leaving tread marks. We will be putting up signs banning the riding of cycles as this is both disrespectful and dangerous with the slope of the path. It may become necessary to have some form of CCTV at the church if this behaviour continues.

### **WOLDS SHORT MAT BOWLS CLUB**

The end of the season saw mixed fortunes for our two teams. The Merlins finished a very creditable fourth out of eleven teams in the Scarborough & District League, whilst club mates (and rivals) the Kites, despite having a good start to the season finished a disappointing eighth.

Six of our members represented North Yorkshire County in the North East Inter-County Championships, as well as two members of the club competing in and getting through to the knock-out stages of the British Open.

As with all bowls clubs, the end of the season has seen some of our members leave due to retirement or moving out of the area. As we now move into our summer social play season we are looking for new members, club nights are on Tuesdays & Thursdays at Ganton VH, 7:00pm – 9:00pm. The usual cost is £3.00 per session, although the first session for anyone wanting to come and try out the game is free (with a coffee or tea thrown in at half time) young or old, no experience is necessary.

Further details are available from our secretary Jean on 07791 787693 or on [teddbandme@gmail.com](mailto:teddbandme@gmail.com)  
Please let us know in advance if you'd like to attend.

## Foxholes

A huge thank you to all the people of Foxholes Community Centre for putting on such a super free Coronation Celebration.

The Hall and table decorations were great, the food was plentiful and very tasty. The huge screen to watch the ceremony on was brilliant. I was around for the Queen Elizabeth 11 Coronation and our TV was a tiny 9 inch screen, we were the only ones in our street with a TV, so many of our neighbours were squashed into our front room to watch it. Foxholes TV was a 1000 times better.

Thank you again for making it so special. We Brits certainly know how to put on a fabulous show.

## Wold Newton

The Children are Lily and Albie, winner and Runner-up in the 'Create a Crown for the Coronation' competition in the U.8 yrs. category. They were the only children who turned up to see if they'd won and collect the chocolate bar they got for entering.

The other 2 are pictures of the amazing flowers done by Judith Robinson and Jean O'Neill. Judith is pictured standing by her arrangement on the font. She was very nervous about the crown staying in place. Jean unfortunately wasn't around for a photo.

## Helperthorpe Bird Notes

*An occasional series from a local birder and sound recordist.*

The breeding season is in full swing ... so most mornings am out sound recording ... the go to set up is a parabolic reflector and recorder ... this is the torch beam exercise illuminating a single subject ... focussing on the singer or caller ... also set up a drop rig ... microphone array with recorder ... this is more the floodlight approach ... catching the singer in situ and also making a broad soundscape of surrounding sounds ... it is a favourite of mine and captures movement well ... also allows for long extended recordings ... two of my favourite migrants are getting attention ... the lesser whitethroat ... a skulking grey wisp with a white throat ... fancy that ... it has two songs ... an ululating five ..? note rattle ... and a jumbled repertoire of trills and notes which is captivating ... and as a polar opposite the yellow wagtail ... a vibrant brassy top of the tree show creature ... it has a penetrating zeeeeeep flight and contact call ... and the song... a jumble of what might be called musical notes ... has the inauspicious title of being one of the poorest efforts of all bird singers ... some time has been spent with whitethroats and chiffchaffs ... often the male bird will escort the female off the nest ... seem to have caught this activity quite a few times with whitethroats ... while one chiffchaff hitch kicks its song halfway through and you are waiting for another bird to join in only for it to continue on ...

Good to see swallows and house martins returning ... and heard a garden warbler recently ... a bird that was not present last year ..? two other birds missing off the list ... cuckoo ... which might be because its target species are not present ..? and turtle dove ... a bird facing serious decline ...

On manoeuvres sometime this month ... doing a breeding bird survey for the BTO ... thanks to a local villager for showing his two nest rookery ..? and if you have a pond with fish get it covered ... a very early am grey heron has been stalking suitable back gardens ...

Up to three roe deer in the area ... a skirmish between a stoat and a rabbit didn't end as expected ... the rabbit hurtled across the road and a passing car separated the pair ... if you have not seen news reports of the fin whale stranded on Bridlington beach ... Yorkshire Post have a clip of East Riding of Yorkshire council engaged in removing the beached carcass ... various sites have drone footage of this more than impressive creature ...
