

Warbler

A View from County Hall

As I look out of the window watching the snow fall and thinking about moving into February, the old rhyme springs to mind "February fill the dyke, Be it black or be it white; But if it be white, It's the better to like". Not everyone likes snow, but after a very soggy start to the year, I am personally preferring it to the black rain.

At this side of the valley we have seen several flooding events. Living as I do at the side of the beck, I am very much aware that with the increase in surface water flooding, it can often be the water course that saves an area from flooding, providing it is well maintained. As budgets are tightened, small maintenance jobs become limited to what the council is only statutorily obliged to provide. For some time this doesn't cause a problem, but as we see greater rainfall, the importance of drainage work becomes apparent and so we all need to think creatively around this subject.

Another tradition of February is our full council meeting where we set the budget. We are all mindful of the difficult job this is as we see many other councils across the country effectively declare themselves bankrupt. The biggest budget pressures nationally are demand led services in Adult and Childrens Social care. Increasing demand for support for children with special educational needs and disabilities (SEND) has risen to an extent that we are projecting an accumulated £13 million deficit by March 2024 in this service alone.

We have worked hard to identify £46 million in savings to be made across the next three financial years. Of that figure, more than £36 million is set to be brought about by the move to one council. As such, they will not impact on frontline services and are probably amongst the least controversial savings of anywhere in the country. The increased efficiencies include almost £11.8 million from bringing together services, a saving of £6.7 million in support services and nearly £2 million in transforming technology and streamlining IT systems. Income generated through a more co-ordinated approach to fees and charges is set to see savings of £6.6 million achieved up until the end of the 2026/27 financial year. In addition, £3.1 million in savings have already been secured in the first year of the council's operation through reducing the number of senior managers alongside cutting the number of councillors from 319 to 90 members. Prudent management of the budget will always ensure that we are able to direct services to the most vulnerable in our communities.

Hello to Weaverthorpe Gardeners

2024 is scheduled to be Open Gardens in Weaverthorpe and normally Jeff & I would have been inviting you all to a meeting to decide the date, who gets the proceeds and start to organise the event etc.

Unfortunately due to health reasons we are not able to take this on this year.

It would be disappointing if the event did not take place since it seems to be enjoyed by all of us, we get to meet people we would perhaps not know very well and it raises a good sum of money for whatever cause or charity we decide on. So, the purpose of this note to you all is to see if anybody would feel they would like to take on the organisation for this year. We will be willing to open our garden and help with publicity nearer to the event, which usually takes place late June or early July.

Please do not hesitate to contact us if you have any queries before you make this life changing decision!!

ST. ANDREW'S CHURCH, WEAVERTHORPE

SPONSOR A DAY

Dear Resident

The church of St. Andrew at Weaverthorpe has been a place of worship and celebration since the 12th century. Today it has services monthly, hosts baptisms, weddings and funerals and also stages special services and exhibitions for the community. As with most ancient buildings there is a cost for upkeep of the church, currently £15 a day for St. Andrew's.

We are writing to ask if you would like to sponsor a day in the life of this church by choosing a date of significance to you and your family. There will be a book in the church and on the date you choose we will write your name and anything you would like to say about this special day. This is for families and individuals. Once we have the book in use, we will let you know and you will be able to visit the church and see your special day.

For each entry we would ask for a donation of £15, once per year, by standing order to St. Andrew's Church. Please email jemasonuk@yahoo.co.uk or telephone 01944 738238/07702192001 for further information. Please return the slip below to jemasonuk@yahoo.co.uk or post to Mrs J. Mason, Gara Croft, Weaverthorpe, Malton YO17 8ER. (PCC representative)

Please help us to continue to be able to worship and celebrate at St. Andrew's church for many years to come.

Kind regards

St. Andrew's PCC (parochial church council)

HELPERTHORPE VILLAGE GREEN

Due to concerns raised recently regarding the use, or misuse, of the Village Green in Helperthorpe, Luttons Parish Council thought it might be an appropriate time to remind people of the rights and uses of our village greens. Please take note of these. To be clear: within the Parish of Luttons there is only one designated and registered area of Village Green - and that is in the village of Helperthorpe. Also of note is that the Parish Council is the designated 'owner' of that 'green'. Please see the attached plan which shows the designated location and area of that Village Green.

The rights of individuals who may use a village green are outlined in various Acts of Parliament.

Below is a synopsis of some of those rights and exclusions. Please note that only those rights and exclusions thought to be currently relevant have been listed.

A. It is a criminal offence to:

- ◆ wilfully take any cattle or other animals on to a green without lawful authority;
- ◆ wilfully lay any manure, soil, ashes, rubbish or other material on a green;
- ◆ undertake any act which causes injury to the green (e.g. digging turf); or
- ◆ undertake any act which interrupts the use or enjoyment of a green as a place of exercise and recreation (e.g. fencing a green so as to prevent access).

B. Can vehicles drive over or park on greens?

- ◆ It is a criminal offence to drive over, or park, on land (including a green) not forming part of a road without lawful authority to do so.

C. Can 'works' be undertaken on a green?

- ◆ It is a criminal offence to undertake any works on a green which contravene the 1857 Act and works in breach of the 1876 Act will be deemed to be a public nuisance.
- ◆ It is a requirement that any fair taking place on a green must first obtain authority to do so.

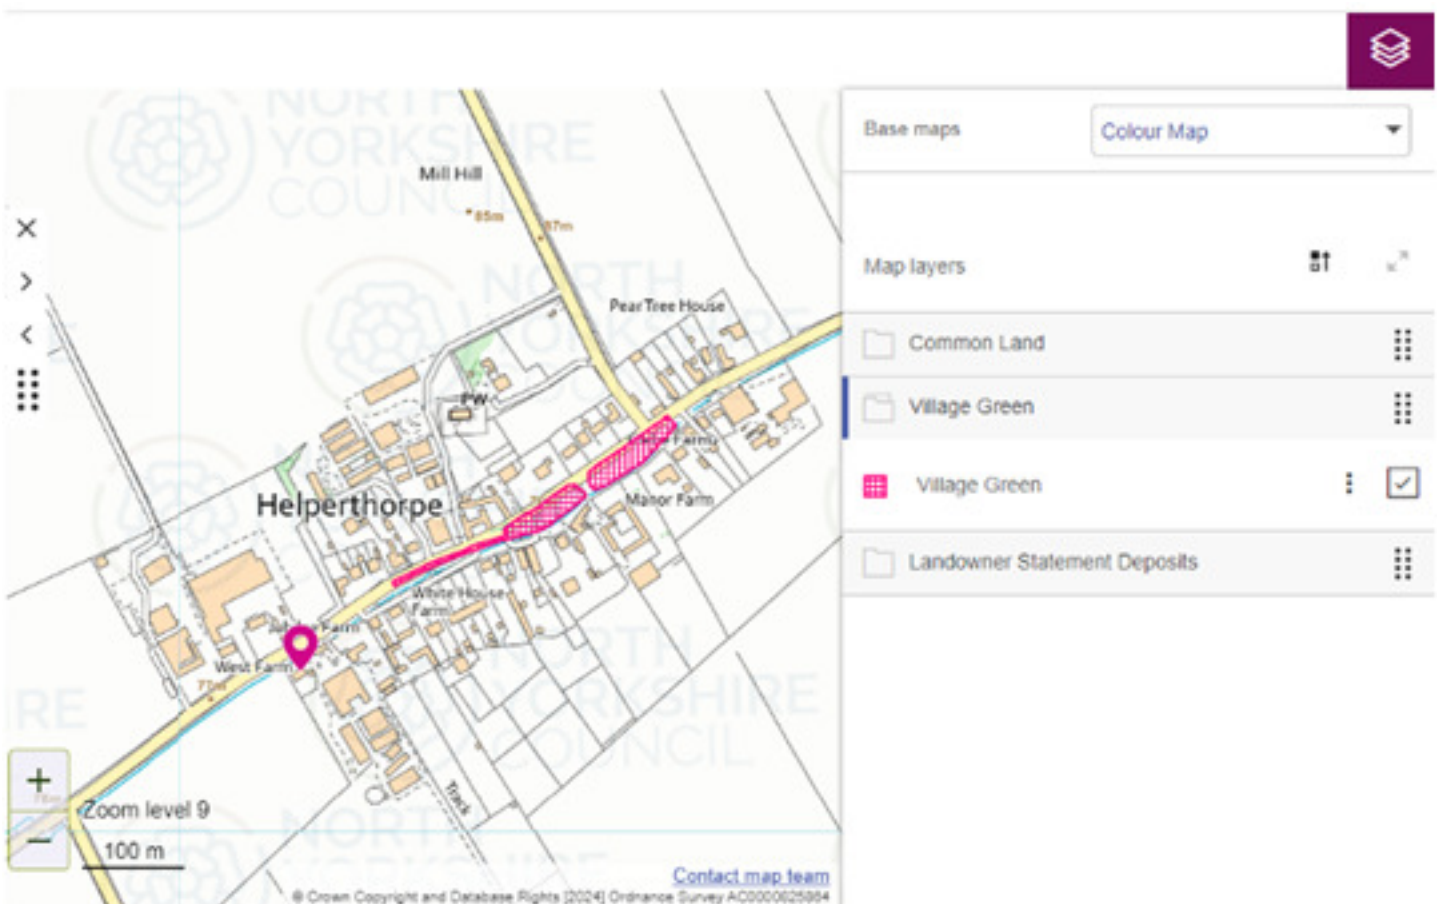

To be clear: In respect of Helperthorpe Village Green any 'works' that might impede the use of the green by others needs authority from the Parish Council in order to proceed (e.g. the storing of any building materials or associated building equipment will need that authority).

D. Who has the right to enjoy lawful sports and pastimes on a green?

- ◆ The right to enjoy lawful sports and pastimes on a green does not extend to the public at large but is only exercisable by inhabitants of the locality in which the green is situated.

IT WOULD BE APPRECIATED THAT MEMBERS OF THE PARISH ABIDE BY THE ABOVE NOTED RIGHTS AND EXCLUSIONS AND THAT IF IN ANY DOUBT TO PLEASE MAKE CONTACT WITH THE PARISH COUNCIL. The latter may be done using the email address: clerkluttonspc@gmail.com

On behalf of Luttons Parish Council, thank you for your understanding.

Helperthorpe Bird Notes

An occasional series from a local birder and sound recordist.

Spent a few mornings pre-dawn putting out microphones hoping to record a covid flock ... the mics are fixed so its pot luck on recording something ... the crows ... rooks ... jackdaw ... arriving from varying directions to feed ... at the beginning of the season the group was easily seen ... a bit of crop growth and they have become invisible ... love just watching late comers swirling in from height ... winging over releasing the air from under their wings ...

A number of birds have started their song ... wren ... chaffinch ... great tit ... and a song thrush ... song is obviously so important in a variety of ways ... a recent study on tawny owls revealed that females can identify when a calling male is at his peak fitness ... males that have a high parasitic infestation and thus not quite healthy their call/song reveals this ... another suggested that when merlins are chasing down song thrushes ... if the bird sings while being pursued the merlin will break off the attack ... song means healthy ... no song ... no song thrush ... who initiates these studies and finds evidence to reach such conclusions ... who knows ..? then again it may have been obvious ..?

Some good flock numbers ... yellowhammer 120+ ... com bunting 15+ ... starling 300+ ... skylark 15+ ... small numbers of redwing and fieldfare ... four tawny owls calling from various points of the compass ... possibly some these may be youngsters prospecting for new territories ... also listed ... golden plover ... buzzard ... reed bunting ... also hopefully not my only grey partridge for the year ...

ALL SAINTS' CHURCH

4/2/24 10.00 a.m. Holy Communion.
18/2/24 10.00 a.m. Morning Service
All information could alter, so if in any doubt please call one of the churchwardens: Anny 01262 470287 or Julie 01262 470546. Also see www.achurchnearyou.

The church remains open daily for private prayer and contemplation; also for visitors wishing to experience its history and beauty as well as accessing the village Library/Book Exchange. (Light switches to the left of the door.)

THE HINGE BOX - this is in the church porch and continues to be very well supported, providing much needed food and essentials for struggling, local families. Based in Bridlington, the Hinge is now receiving more referrals from local authorities and is even busier than it was. All donations are very much appreciated. A can of beans - a bar of soap ... all become major and welcome gifts. This small village helps to keep many families from hunger and isolation. You can help. It doesn't take much. Bridlington hosts many homeless people.

COFFEE, CAKE, A CHAT & A CRAFT!

We would like to invite you to join us as we start to use the church again on Wednesday afternoons - 2.00 - 3.30 p.m. - starting on the 17th January '24.

Tea is available, of course, as well as coffee (but it didn't sound so good) and it may be biscuits instead of cakes - and you don't need to bring a craft along with you (or have any interest in crafting). If you do have an ongoing project or interest, please bring it along for us to admire - and possibly emulate! We are thinking about making crocheted poppies (lots of them) to form a 'waterfall' display over the church porch on Remembrance Sunday. It would be a lovely, lasting tribute from we, the generations who benefitted from their sacrifice.

We promise that we'll have the heating going!!!

WOLD NEWTON COMMUNITY FACEBOOK GROUP

This continues to provide much needed community information. Books and resources are now based in the church, which is opened every day.

"WE WANT TO TELL YOU SOME STORIES"

Tale-telling is the oldest form of entertainment - before books were thought of. Wandering bards passed on history and stories to enthralled audiences. Nothing changes that much and listening to stories is still spellbinding entertainment.

We offer you:-

A GROWN-UP'S JACKANORY!

Come along to All Saint's Church and spend a pleasant couple of hours being read to by local authors from the Nafferton Writers' Group. All stories are original work by published authors. Cake and beverages will be served to support this pleasant afternoon. Entry is free, but a donation to the church's Fabric Fund (building and running costs) is asked for. There will be an opportunity to buy the writers' publications - and a cake to raffle!

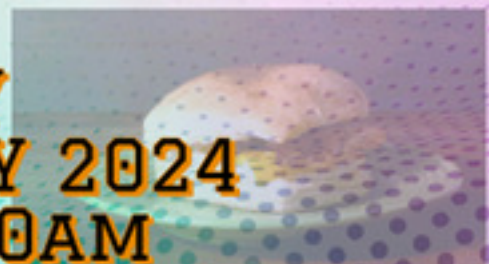

SEE YOU THEN!
