

# THE WOLDS VALLEY *Warbler*

## A View from County Hall

The new unitary council is now officially in it's second year and at last, we are beginning to have site of the real benefits it brings. At our recent May AGM council meeting, one of the most positive decisions was around the new housing strategy. NYC is now a housing authority and although it has retained the knowledge and experience of the seven previous district housing authorities, a strategy has to be developed to align all areas within the new geography of NYC.

The strategy provides a framework for housing policies, and projects up until 2029. It is aimed at helping to address the demand for more housing and this includes the deeply rural parts of North Yorkshire. There are many challenges to providing housing across a vast rural county, but local government reorganisation has given us the opportunity to bring big changes to our communities and the people who need the most help.

The strategy focuses on three key priorities - our people, our places and our homes, with references to quality, affordability and sustainability. It aims to deliver at least 500 more council homes, and particularly mentions the issue of the rural housing crisis as well as supporting communities through regeneration. We know that people's housing requirements change as they move through life's changes and the plan recognises the needs of the population at different life stages. If we are to retain young people and families in our rural villages, we have to address their housing needs to sustain vibrant communities and services. The plan is a good start to this vision.

THE D DAY 80 FLAG WILL BE FLOWN ON THE WEAVERTHORPE FLAG POLE ON 6<sup>th</sup> JUNE 2024

# *Certificate of Grateful Recognition*

## *6th June 2024*

With sincere thanks for your contribution to D-Day 80  
the international commemoration of the 80th anniversary of the D-Day landings  
on the five beaches in Normandy, France, on 6th June 1944.

Despite the extraordinary courage displayed by so many on 6th June 1944, just one Victoria Cross was awarded. It went to Company Sergeant Major Stanley Hollis of the 6th Battalion, The Green Howards.

Chinese naval officer Huang Tingxin received the French Legion d'honneur, the highest order of military and civil honours that France bestows, 2006 in recognition of his bravery during D-Day.

THE LARGEST NAVAL, AIR AND LAND OPERATION IN HISTORY

# Preparation for D — Day in the Wolds!

Just a little story about me in 1943 leading up to D-Day. I was four years old at the time and living in a lone house at the side of the road between Wetwang and Tibthorpe. One night a Sherman tank got stuck in our Stick hill at back of the house. Next morning my younger brother and I were invited to sit in the tank. The tank crew were French men and for many years that bugged me why French servicemen In a Sherman tank. My family moved to the Weaverthorpe area in 1952. Years later I decided to do a search. Early in 1943 the East Yorkshire Wolds was to become an Armoured Division training area. In early May all the sheep in the Weaverthorpe/West Lutton and surrounding areas were gathered together to be sold off. Weaverthorpe that time was still in East Yorkshire. The Guards Armoured Division and 11th Armoured Division then moved into the area with all their supporting units of which there were many to beat up for D-Day. Ernie Teal who used to write stories in the Driffield Times, Walkington Hayride and such was Tank Commander with the Guards Division and stayed at Butterwick and Spaniel farm. I had a long phone conversation with a chap from down south who was supporting Infantry for 11th Armoured Division. He said he woke up one morning beside his armoured vehicle cold wet and covered in snow on his 21st birthday. He still remembered the Map ref for Octon crossroads as they attacked it in training many times. Both stories are too long for these few notes and as for the French men their Division came over from Morocco some time near D-Day and trained around here before D-day and later on were given the privilege of taking Paris in 1944. The French Lads did meet local girls and attended local dances in West Lutton, again that's another story. But just to end, note the phone numbers on the sheep sale advert. Chris Howe

## **Helpethorpe Bird Notes**

*An occasional series from a local birder and sound recordist.*

As they say on all podcasts ... let's get into it ... or something of that sort ... glad to see all the hirundines returned ... have equal love for each species ... all fill a different niche ... everybody seems to have a returning swallow day ... with a neighbour it was his April birth date ... with me ... just happy to have them in my company as once the alarm call is learnt that denizen of the winged anti hero ... the sparrowhawk ... can't move across the territory without a pack chasing his tail ... it has happened a few times last year of a hobby chasing the house martins ... will leave the swifts to their pell mell race tracking round the buildings ... if you are lucky ...

On the migrant watch and sound recording ... most seem to have returned ... willow warbler in a few paces ... lesser whitethroat ... one singing around the buildings ... whitethroat ... blackcap and for once in some time a garden warbler ... both birds often cause problems with the similarity of their song ... the blackcaps is just ebullient ... loud phrases often with much mimicry particularly nightingale ... one a few years ago ... thought found a new species for the uk ... the garden warbler's ... like to compare to a small drinking fountain ... it bubbles along in a stream of notes ... generally at the same level and volume ... the blackcap has his black cap ... the female's is brown ... many have over wintered ... the garden warbler is basically plain ... no colour or eye stripes apart variations on the wash of brown and they are skulkers ...

Needless to say one or two species seem to be losers on a local and national level ... have not heard a turtle dove ... and the last cuckoo heard in the area was in 2010 ... this year have yet to hear a yellow wagtail ... must be more patient ...

As usual the local birds are with us ... a goldcrest must be nesting somewhere adjacent ... will have to figure how to some way get the gear in without parading around with a parabolic in front of a house ..? and as usual expect the unexpected ... rounding Staxton roundabout and having to duck under the windshield ... as a peregrine falcon gave me five seconds of its time ... and belated thanks to a local resident for reporting a buzzard in his back garden ...

## Pop Up Restaurant Events

Just to let you know that our next Charitable Pop Up Restaurant Event is currently scheduled for Saturday 26<sup>th</sup> October (this year), to be held at Foxholes Community Hall.

*Our theme for this Pop Up Restaurant will be Indian Cuisine*

However, the intention is to bring you not only some of the usual popular favourites, but to also provide a selection of more unusual dishes – ones that perhaps one would not choose to make at home due to their complexity and unusual ingredients!

One thing to bear in mind – none of the proposed dishes will be overly spicy! The intention is that for all the dishes the flavours of the ingredients can be tasted and not be overpowered by too much heat - plus, there will be several vegetarian dishes available.

At this time we are only accepting notice of interest in the event – further details of how to reserve a place, or places, will be provided nearer the date.

As such, could I please ask that if you are at all interested in joining us to enjoy an Indian Dinner, could you please let me know by email to: [martin.pearce54321@gmail.com](mailto:martin.pearce54321@gmail.com) or by text to: 07971963797.

Registering an interest in attending this function will be open until Friday 14<sup>th</sup> June.

## **WOLD NEWTON**

### **ALL SAINTS' CHURCH**

2/6/24 10.00 a.m. Holy Communion. Rev. B. Hodgson

16/6/24 10.00 a.m. Morning Worship Rev. Alan Leach

Please note that this is the regular pattern of services. Any changes are advertised locally.

All information could alter, so if in any doubt please call one of the churchwardens: Anny 01262 470 287 or Julie 01262 470546 Also see [www.achurchnearyou.com](http://www.achurchnearyou.com).

The church remains open daily for private prayer and contemplation; also for visitors wishing to experience its history and beauty as well as accessing the village Library/Book Exchange. (Light switches to the left of the door.)

### **BOB'S RAFFLE!**

Robert Sidebottom, a long-term resident of Wold Newton, sadly passed away earlier this year. His children have very kindly donated many of his possessions to All Saints' church for raffle prizes. 1<sup>st</sup> prize is a Bottle of 'Three Barrels' brandy plus a glass decanter! Many, many other prizes, unused and not all alcoholic (although there are also bottles of Gin, Rum and wine). Obviously tickets are limited to people aged 18 or over. The draw will be in the church on 16<sup>th</sup> June. Tickets are going fast. £1 each or £5 per book.

Available from Amanda 01262 470993, Margaret 01262 470818, Anny 01262 470287 or Julie 01262 470546.

Good luck to all who buy!

### **THE HINGE BOX**

This is in the church porch and continues to be very well supported, providing much needed food and essentials for struggling, local families. Based in Bridlington, the Hinge is now receiving more referrals from local authorities and is even busier than it was. All donations are very much appreciated. A can of beans - a bar of soap ... all become major and welcome gifts. This small village helps to keep many families from hunger and isolation. You can help. It doesn't take much. Bridlington hosts many homeless people.

### **COFFEE, CAKE, A CHAT & A CRAFT!**

We would like to invite you to join us as we use the church on Thursday afternoons - 2.00/3.30 p.m. - just for a cuppa and a natter really.

Tea is available, of course, as well as coffee (but it didn't sound so good) and it may be biscuits instead of cakes - and you don't need to bring a craft along with you (or have any interest in crafting). If you do have an ongoing project or interest, please bring it along for us to admire - and possibly emulate! We are thinking about making crocheted poppies (lots of them) to form a 'waterfall' display over the church porch on Remembrance Sunday. It would be a lovely, lasting tribute from we, the generations who benefitted from their sacrifice.

We promise that we'll have the heating going when it's chilly!!

### **WOLD NEWTON COMMUNITY FACEBOOK PAGE**

This continues to provide much needed community information. Books and resources are now based in the church, which is opened every day.

### **MOBILE LIBRARY**

According to the timetable, this will park at the bus shelter on WEDNESDAY, 19th June 1.30 - 2.00 p.m.. Something for everyone. Please make the effort to use it or we risk losing this vital service.

### **THE COMMUNITY CENTRE**

For all information regarding hire of the Centre and events there, such as Tai Chi & Line Dance, please contact Judith 01262 470368.

Sat. 29/6/24 Coffee, Cake and a Chat + Bacon Sarnies! 10 a.m.-12 noon.

Tractors and Trailers will be running continuously throughout the day from 10am until 4.30pm. There are no time slots.
