

THE WOLDS VALLEY

Warbler

A View from County Hall

As I write this piece for the Warbler, manifestos are being launched across the country and hundreds of doors are being knocked on as we live through the campaigning experience of the general election. As you read my words, the results of the election will already be known, and a new government will be in place.

Whatever the political make up of the next government, we have to look at what is promised through the unblinkered vision of what could possibly be delivered and within the time frame of that government's term of office. It's worth a gentle reminder here that government legislates for change, but invariably it is local government that must deliver those changes.

I suspect that much of what is on your wish list is shared by us all - the security of our county, a healthy population, our children receiving a good education along with the supply of employment opportunities and affordable housing to meet all needs and when we reach our twilight years, to end them with dignity, care and love.

Of course that is what we all want. It's not what we wish for that is so different, but the direction of travel we take and the weather conditions we encounter along the way certainly are.

Wherever you place your "X", I do hope you get at least some of what is on your wish list.

Our June meeting was a very enjoyable evening with speakers from Malton Museum entitled 'Hands on History'. Fascinating facts were learnt & we got to handle or see some artifacts from several hundred years ago, learning a little about the work of the archaeologists.

The committee attended the North Riding AGM in Kirkbymoorside Golf Club & had a very entertaining afternoon in the company of Thornton Le Dale Ukuleles. Had a bit of a work out after our delicious carvery, being encouraged to join in

with some actions to the songs.

Members & guests recently attended a chocolate demonstration with Andrew Thwaites, Chocolatier at his Scarborough premises. A fantastic evening enjoyed by all. A very interesting man, with exceptionally tasty chocolates for us to sample.

Our next meeting is a members only visit to Kirkham Hall Gardens on July 9th. Some guest spaces may be available if numbers allow.

The Luttons is for Everyone (LIFE) Group Coffee Morning and Great Luttons Bake Off – A Delicious Community Event

June's LIFE Group Coffee Morning was a resounding success, thanks in a great part to the much anticipated Great Luttons Bake Off competition. Spearheaded by the ever imaginative and energetic Deborah Richardson, the Bake Off featured five competitive categories and attendees had the delightful task of sampling the delicious creations and voting for their favourites in each category. Despite the tough competition, winners emerged in each class:

- Chocolate Cake: Vicki Duffield
- Quiche: Keran Pincombe
- Home-baked Bread: Jill Buckley
- Sweet Gluten Free: Lorraine Burrell
- Victoria Sponge: Shanie Burton

Each winner proudly took home a unique and coveted Great Luttons Bake Off 2024 Apron. Attendees at the Coffee Morning were overheard saying:

- 'It is really hard to decide my winners.'
- 'They are all so fantastic.'
- 'I might have to have another piece, just to be sure!'

In addition to fostering community spirit, the event raised an impressive £138.

Helperthorpe Bird Notes

An occasional series from a local birder and sound recordist.

For many years have supported the British Trust for Ornithology ... the BTO run many surveys ... all my records are accessed to Birdtrack ... what was once run to observe how migrants arrived and their dates ... now it is a year round system that can also record breeding status ... it has now been widened to include mammals ... butterflies ... plants etc ... the other long runner is the Breeding Birds survey ... visit a designated square twice during April thru June ... recording birds by song ... call ... visual ... and also record land usage ... had some fun with this year ... a buzzard harassed by two crows at close quarters ... for the first time recorded curlew ... barn owl and garden warbler ... on the last visit found two above ground moles ... both moribund and no idea what caused their demise ... no marks at all ... a third was found in the same state close to home ..? youngsters moved out finding their own territory .?

Some birds are extremely good mimics ... probably the most notable is the marsh warbler ... no haven't yet ... sedge warbler ... whinchat and the blackcap ... even the jay gets mentioned by those in the know ... on the patch at present is a mixed singer ... a willow warbler that occasionally bursts into chiffchaff song ... they can be the other way round ... have no idea why or what causes this ... there are many theories and from the literature it is not uncommon ... hoping to get some answers in the future ...

Local commonplace birds seem to have been keeping up with the breeding season ... wrens ... blackbirds ... house sparrows ... the starling juveniles were flocking for a few weeks ... dunnocks ... etc ... and hopefully our local though national rarities ... tree sparrow and corn bunting ... will have success ... might be able to add quail ... no idea if they have ever breed ... although there are very few willow warblers ... have found at least four chiffchaff nests ... and one trend seems to be reed buntings ... two so far ... and their attachment to oil seed rape fields ...

Have seen very few butterflies on my travels ... hopefully the inclement weather will take a hike ... if it can do such a thing ... THE BIG BUTTERFLY COUNT takes place 12th July 2024 - 4th August ... all details are on the butterfly [conservation.org](https://www.butterflyconservation.org) website ... hopefully it will get some coverage in the national press closer to the date ...

The church remains open daily for private prayer and contemplation; also for visitors wishing to experience its history and beauty as well as accessing the village Library/Book Exchange. (Light switches to the left of the door.)

THE HINGE BOX

This is in the church porch and continues to be very well supported, providing much needed food and essentials for struggling, local families. Based in Bridlington, the Hinge is now receiving more referrals from local authorities and is even busier than it was. All donations are very much appreciated. A can of beans - a bar of soap ... all become major and welcome gifts. This small village helps to keep many families from hunger and isolation. You can help. It doesn't take much. Bridlington hosts many homeless people.

COFFEE and CHAT Afternoons

We would like to invite you to join us as we use the church on Thursday afternoons - 2.00/3.30p.m. - just for a cuppa and a natter really. Come along and put the world to rights, or just enjoy the chat, or select a book and sit reading with a drink and snack provided. It's a lovely way to meet people and pass an hour or so.

We promise that we'll have the heating going!!!

WEDNESDAY 14th AUGUST

All Saints' Church is hosting an afternoon of stories and activities from 2 - 4 p.m..

Local writers will read their hitherto untold stories! Be among the first to hear of the adventures of 'Laking Tyke'; marvel at 'The Dragon Egg' and discover 'The Magical Landrover' - then there may be time for the baby Giraffe who got his head stuck in a tree! And.... so many other stories and poems..... A world of imaginative wonders awaits your children. There will be refreshments, of course, and activities built around the stories.....and, if it doesn't rain, there may be games!

This afternoon is free of charge - but a donation to the Church Fabric Fund is asked for from the grown-ups.
